What Is Political Philosophy And Other Studies:

What is Political Philosophy? And Other Studies Leo Strauss, 1988-10-15 All political action has in itself a directedness towards knowledge of the good of the good life or of the good society For the good society is the complete political good If this directedness becomes explicit if men make it their explicit goal to acquire knowledge of the good life and of the good society political philosophy emerges The theme of political philosophy is mankind's great objectives freedom and government or empire objectives which are capable of lifting all men beyond their poor selves Political philosophy is that branch of philosophy which is closest to political life to non philosophic life to human life From *What Is Political Philosophy* *What Is Political Philosophy* a collection of ten essays and lectures and sixteen book reviews written between 1943 and 1957 contains some of Leo Strauss's most famous writings and some of his most explicit statements of the themes that made him famous The title essay records Strauss's sole extended articulation of the meaning of political philosophy itself Other essays discuss the relation of political philosophy to history give an account of the political philosophy of the non Christian Middle Ages and of classic European modernity and present his theory of esoteric writing What Is Political Philosophy Laura Strauss, 1959-11 *What is Political Philosophy ?* Leo Strauss (philosophe).), 1959 **The Nature of Political Philosophy** James V. Schall, 2022-10-02 In his final collection of essays Father Schall explores the life of faith across a dazzling array of subjects from Martin Luther to bioethics With his characteristic patience brilliance and careful tenacity Father Schall interrogates profoundly what it means to try to be a citizen of the Kingdom of God in the city of Man Never shying away from controversy across 14 articles and 4 book reviews Father Schall investigates the critical themes of his life and scholarship reason and revelation the nature of modernity literature and salvation metaphysics and politics and much more Whether the reader is new to Father Schall or a longtime student this posthumously published collection of essays offers a profound meditation on the nature of political philosophy and particularly what it would mean for Catholicism to offer a political philosophy From such fundamental considerations Schall explores ethical literary and legal themes displaying his typical breadth and depth of engagement with all that is real Ultimately Father Schall leads one on a Socratic enterprise an education whereby one comes to question for oneself basic assumptions and to dig deeper into the first principles as they are recalled in the orders of knowledge and being While Father Schall has passed on to his reward this collection of essays helps ensure that his lessons continue to guide challenge and enrich students for generations to come **What is Political Philosophy?.** , 2010 **What is Political Philosophy?.** Leo Strauss, 1957 **Wath Is Political Philosophy?** Leo Strauss, 1959 Common Law and Liberal Theory James R. Stoner, 1992 In this book James Stoner's purpose is to recover the common law basis of American constitutionalism American constitutionalism in general he argues and judicial review in particular cannot be fully understood without acknowledging their roots in both common law and liberal political theory But for the most part the common law underpinnings of constitutionalism have received short shrift **The Great Art of**
