The New Elder's Handbook Greg R. Scharf,Arthur Kok,2018-11-20 Pastors and church leaders are in need of mature godly elders to ensure church health but the training of elders is often entirely missing or badly neglected What if there were a process to proactively call and train elders The New Elder s Handbook is designed to equip elders with the knowledge character and skills the office calls for It takes church leaders through the development of a vision for ministry recruitment of elders to carry out that vision and specific biblical training providing a way to be intentional about developing elders

Human Freedom, Divine Knowledge, and Mere Molinism Timothy A. Stratton,2020-10-02 Does humanity possess the freedom to

think and act or are we always caused and determined to think and act exactly how we think and act by things outside of our control If we are always causally determined to think and act by things outside of our control then how can humans be genuinely responsible for any of our thoughts or following actions However if humanity is genuinely free and responsible for at least some of our thoughts and actions then how can the Christian rationally affirm the doctrine that God is totally sovereign and predestines all things In Human Freedom Divine Knowledge and Mere Molinism Timothy A Stratton surveys the history of theological thought from Augustine to Edwards and reaches surprising historical conclusions supporting what he refers to as limited libertarian freedom Stratton goes further to offer multiple arguments appealing to Scripture theology and philosophy that each conclude humanity does in fact possess libertarian freedom He then appeals to the work of Luis de Molina and offers unique arguments concluding that God possesses middle knowledge If this is the case then God can be completely sovereign and predestine all things without violating human freedom and responsibility **Balanced**

Discipleship Justin Campbell, 2023-03-09 The data is in more and more people are leaving the church We've worked hard at creating better programs better music and better sermons but it's not enough This is in stark contrast to the global church that is growing exponentially What are they doing differently What can we learn In Matthew 28 Jesus does not ask us to go into the world and make great church services he tells us to go into the world and make disciples Campbell takes a deep dive into the Great Commission exploring Jesus balanced model of discipleship and giving us practical tools to apply to our local church **Why Should I Join a Church?** Robert Charles Sproul, 2019 Many Christians dismiss the need to go to church It's

just a building they say I can worship anywhere I don't have to gather with other Christians In this booklet Dr R C Sproul explains that the church is not merely a building it is the people who meet there Scripture even commands us to gather not neglecting to meet together as is the habit of some Heb 10:25 It's dangerous to attempt the Christian life alone We need one another to live and worship well The Crucial Questions booklet series by Dr R C Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers Breath and Bone Riad A. What Is the Relationship Between Church and State? Robert Charles Sproul, 2014-07 How should Christians view the state God calls Christians to honor the governing authorities Rom 13 1-7 but we know that this is no easy task Should Christians lobby the state to obey God's law Must believers obey the state at all times no matter what it commands Does the church have any say in how the state is governed and does the state have any say in how the church should be administered The answers to these questions aren't simple In this booklet Dr R C Sproul considers the biblical principles that direct the Christian's understanding of the state *The Law Times Reports*, 1905 **The Critical Review of Theological & Philosophical Literature** Stewart Dingwall Fordyce Salmond, 1897 **The Critical Review of Theological and Philosophical Literature**, 1893 **How Can I Be Right with God?** R. C. Sproul, 2012-11-09 The Philippian jailer's question is as pressing for us as it was for the man who originally asked it God is holy and we are not God cannot stand to look upon sin How then can we as sinners be saved This book delves into Scripture and church history to explore the Protestant doctrine of justification by faith alone and in so doing it points to Christ alone as our hope for salvation **THE CHURCH HERALD.**, 1873
