A Grind Is a Terrible Thing to Waste N.S. Hood,2022-08-04 There are two roads to take on this journey called Life The right way which is summed up at times as The Good Life On the other hand some people take a left which is The Street Life A lot of young niggas take this route not always because they want to but because that s the only road in the middle of nowhere America was built on the same Come ups that are considered crimes today Fraud Robbery Murder and Grand larceny The problem is the youth is more up front with the truth too much exposure can effect an entire generation That can make life crazy The unbelievable is always reality The unpredictable is always anticipated Funny thing is only a selected few realize what they see is only an illusion what they need is always confused with what they want Priority is always confused with I ll do it eventually If only we could see are mistakes for what they are No one is perfect Do to our creator but if there was a such thing as an equal perfect would the world still be kaotic with envy and hatred Of course nothing has changed It s still a war being waged amongst one another everyday Individuals don t think individually they let others control their mind because they are weak minded They are controlled by people around them almost like a child that depends on you to feed

them whatever you give them they are trusting you to give them something to fulfill their hunger They eat it without question or suspicion just like the people that you surround yourself with They feed you whatever they think you mind will eat If you let them they will feed you whatever they want Whether its lies the truth or entertainment whatever to fulfill the satisfaction of acceptance Block Party 1 Al-Saadiq Banks,2003-12-01 Cashmere has just been released from Federal Prison After serving seven years he has finally paid the Government the debt he owed them Now he wants what the streets owe him His plan is to pick up from where he left off The only problem is the new generation has taken over and they refuse to accept orders from the middle aged veteran It s seven years later the little boys he left back home have turned into grown men It s their turn and they re not going to sit on the sideline and watch him take over Watch Cashmere do everything in his power to make it to the top where he feels he truly belongs Will he regain the crown or will he have to bow down Two Bells ,1920
