insecurities and she borrows what she thinks are a friend's anti-anxiety pills only to quickly discover herself undergoing a much more powerful transformation than she ever bargained for. When the pills backfire and the sharp young professional finds herself rapidly transforming into a voluptuous and helplessly horny bimbo, she'll have to try to make it through the presentation without making too much of a spectacle of herself. But her act is far from perfect and it isn't long before she's starting to get an entirely different kind of attention from the men she originally thought to awe with her business savvy and getting as much as she can take. Excerpt: Lacey he said, sounding a little surprised. I wouldn't have thought you'd be one to get so dolled up for a trial. He ran his glittering amber eyes over me in appreciation. You must be desperate if you come looking like this to try to distract me. But don't worry, I can enjoy the view and run circles around your proposal all at the same time. I blushed in spite of myself but recovered quickly. I always knew you were a pig, Derren. You don't have to go out of your way to prove it each time we see each other. He grinned. Oh, but you really have no idea, he said, low enough that he was sure we wouldn't be overheard. That's all I want, Lacey, a chance to show you just how depraved I can be. One night, me, you, and a pair of handcuffs. He gestured at my chest. Bring those juicy things too if you don't mind. I don't know where you usually hide them. A pair of handcuffs. I asked, doing my best to sound amused instead of intrigued. I suppose you know you're not man enough to handle me unless you can tie me down. He laughed. You misunderstand. The handcuffs aren't for anything sexual. They're to keep you from chasing after me when I leave. Unable to come up with a good response, I gave him a sarcastic smile and pushed past him to join the defense table. As I went to sit down, I realized with a flush of resentful embarrassment that I was wet. Derren Alcross had gotten me wet, and he probably had known he was doing it too. I forced myself not to look over at his lithe, confident form sitting down at the table across from me. It doesn't matter if you're attracted to him, I told myself. That won't stop you from beating him. Nothing about his dark, handsome face or his suave confidence or the way I found myself imagining him standing hungrily over me, powerless in handcuffs, none of that would distract me. I told myself. Notice: This title includes themes and passages that have been adapted from Jessica Whitethread's *Bimbo Lawyer Series* with full consent of the original author. *Best Bimbos of 2021* Thatcher Sadie (author), 1901 **Bimbo Lawyer in the Courtroom (Bimbo Menage MMF Exhibition Erotica)** Jessica Whitethread, 2015-07-10. Before she knows what's happening, new feelings have drowned out the little voice that says no. Reader Advisory: This story is for mature audiences only and features intensely erotic situations, bimbification, the use of potent aphrodisiacs, multiple partners, group sex, exhibitionist themes, aggressive alpha males, body transformation, submissiveness, and dominance. All characters are 18 or older. It's been weeks since Veronica remembers waking up sore and satisfied, sprawled across the table of conference room four. She can't remember exactly how she ended up in that state, but Jackie's cruel prank lingers on, lurking unsuspected in her purse under a scrawled label reading Focus Pills. With an important court date approaching and eager to please a new and powerful client, it seems only a matter of time before she'll be once again desperate enough to try a pill she doesn't remember buying at the drugstore. When

the pills inevitably backfire and the sharp young attorney finds herself rapidly transforming into a voluptuous and helplessly horny bimbo she ll have to try to make it through the trial without making too much of a spectacle of herself Her act is far from perfect but it isn t until her display calls for an emergency recess that the fertile young woman realizes just how far things might go Before she knows what s happening new feelings have drowned out the little voice that says no and her urges have pushed her into the arms and at the mercy of the ultracompetitive alpha males facing her down in the court of law who are more than happy to help her fill her sudden cravings Excerpt Google has deemed this excerpt too explicit to be displayed Bimbo Lawyer in the Courtroom is the second installment in the Bimbo Lawyer series It can be read in sequence or as a standalone story

**Lawyer to Bimbo: A Three Part Bimbo Transformation Series (Bimbo Menage Exhibition MC and Exam Erotica)** Jessica Whitethread,2015-09-25 Reader Advisory These stories are for mature audiences only and feature intensely erotic situations bimbofication the use of potent aphrodisiacs alpha male biker outlaws a medical exam a billionaire older man and young fertile woman body transformation multiple partners and gangbangs anal sex and double penetration submissiveness and dominance All characters are 18 or older Veronica Tulane is all business all the time That s how she s built her law practice into one of the most successful criminal defense firms in the state But maybe she s working just a little bit too hard because now even the outlaw MC president she s defending against a racketeering charge is starting to notice she looks tired and stressed He offers her a pill he says will help her catch up on casework but soon she finds out that helping her get ahead wasn t exactly what he had in mind and the drug he s given her is going to do just about everything but help her focus on paperwork Parts of her body might get bigger but her brain certainly won t be one of them Before she knows what s happening new feelings have drowned out the little voice that says no and her urges have pushed her into the arms and at the mercy of the gang leader and his biker buddies who are more than happy to help her fill her sudden cravings But unable to remember how she ended up sprawled across a conference table or why she feels so fantastic Veronica goes on believing her pills will help her focus on the professional challenges ahead When the pills inevitably backfire and the sharp young attorney finds herself rapidly transforming into a voluptuous and helplessly horny bimbo hot chaos is sure to ensue in all the most inappropriate settings in court and even at her own disciplinary hearing where her strange behavior earns her a medical exam that brings everything into the open Excerpt But how would she get pills like that the man on the left asked looking at me with increased interest How did you get these pills Veronica the doctor asked turning back to me I perked up to have him paying attention to me again I m not really sure doctor but it s alright isn t it I don t really remember how it all started I just want you to be happy with me Wouldn t you like to examine me some more I promise I ll be a good patient He put his pen to his pursed lips This is a rare opportunity The change is supposedly quite remarkable I hope you gentlemen don t mind if I do make some notes of this By all means He reached out his hand and put a finger beneath my chin raising my face to look at me I allowed him to guide my head looking back at him with wide expectant eager

eyes You'll note how submissive she's become he said You're quite eager to please us aren't you Veronica Oh yes sir I agreed trying to nod but stopping when I felt his finger still holding my head in place You want to be a good little slut don't you I shivered excitedly at the word and I felt myself getting very wet Yes sir very much sir You see how positively she responds to sexually demeaning language he said smiling at me The change in attitude is remarkable but it's the physical changes I've heard about that stump me I really don't understand how they can be possible Would you like to let me feel your ass Veronica I slipped down off the desk on long tingling legs and turned to present my ass to him My heart fluttered again in hopes of another compliment
