Bivins, 1971      [Conflicting Images](#) Stuart Allan, 2024-05-31 In contrast with historical examinations centring the evolving role of the war correspondent *Conflicting Images* focuses on the contribution of photographers and photojournalists providing an evaluative appraisal of war photography in the news and its development from the nineteenth century to the twenty first century Stuart Allan and Tom Allbeson critically explore diverse genres of war photography across a broad historical sweep encompassing events from the Crimean War 1853-56 and the Civil War in the United States 1861-65 up to and including conflicts unfolding in Syria and Ukraine This book reflects on the relevance of different types of warfare to visual reporting from colonial conquest via trench warfare and aerial bombardment to the ideological dimensions of the Cold War and embedding and winning hearts and minds during the War on Terror and its aftermath In pinpointing illustrative examples the authors examine changing dynamics of production dissemination and public engagement Readers will come to understand how current efforts to rethink the future of war photography in a digital age can benefit from a close and careful consideration of war photography's origins early development and gradual uneven transformation over the years *Conflicting Images* aims to invigorate ongoing enquires and inspire new alternative trajectories for future research and practice This book is recommended reading for researchers and advanced students of visual journalism and conflict reporting

*Vietnam*, 2013-10-01 This collection of images from the Associated Press Saigon bureau is the ultimate photographic record of the drama and tragedy of the Vietnam War To cover the Vietnam War the Associated Press gathered an extraordinary group of superb photojournalists in its Saigon bureau creating one of the great photographic legacies of the 20th century Collected here are images that tell the story of the war that left a deep and lasting impression on American life These are pictures that both recorded and made history Author and

journalist Pete Hamill who reported from Vietnam in 1965 celebrates the achievement of these courageous photojournalists in a moving introductory essay      *The Warrior Image* Andrew J. Huebner, 2011-12-01 Images of war saturated American culture between the 1940s and the 1970s as U S troops marched off to battle in World War II the Korean War and the Vietnam War Exploring representations of servicemen in the popular press government propaganda museum exhibits literature film and television Andrew Huebner traces the evolution of a storied American icon the combat soldier Huebner challenges the pervasive assumption that Vietnam brought drastic changes in portrayals of the American warrior with the jaded serviceman of the 1960s and 1970s shown in stark contrast to the patriotic citizen soldier of World War II In fact Huebner shows cracks began to appear in sentimental images of the military late in World War II and were particularly apparent during the Korean conflict Journalists filmmakers novelists and poets increasingly portrayed the steep costs of combat depicting soldiers who were harmed rather than hardened by war isolated from rather than supported by their military leadership and American society Across all three wars Huebner argues the warrior image conveyed a growing cynicism about armed conflict the federal government and Cold War militarization      *Air University Periodical Index* ,1949
