The Evangelical Imagination Karen Swallow Prior,2023-08-08 Christianity Today 2024 Book Award Finalist Culture and the Arts Contemporary American evangelicalism is suffering from an identity crisis and a lot of bad press In *The Evangelical Imagination* acclaimed author Karen Swallow Prior analyzes the literature art and popular culture that has

surrounded evangelicalism and unpacks some of the movement's most deeply held concepts, ideas, values, and practices. She shows that understanding what the term evangelical means today means understanding not only evangelicalism's faith commitments but also the images, metaphors, assumptions, and stories that have cultivated evangelical culture. Brought to life with color illustrations and paintings, this book explores ideas including conversion, domesticity, empire, sentimentality, and more. Provides plenty of fodder for those wishing to explore what evangelicalism is and reimagine what it might become. It's an eye opener. Publishers Weekly Akin to enjoying a lively conversation over a cheering yet bracing cup of tea. Christianity Today 5 star review A breathtaking reminder of just how powerful the evangelical imagination has been and how much is lost when we forfeit it. The Gospel Coalition *Lightposts for Living*, 2009-07 **Thomas Kinkade Rock Painting** Marcy Kelman, 2024-03-05 At head of title Thomas Kinkade Studios **Masters of Deception** Al Seckel, 2004 Rings of seahorses seem to rotate and butterflies seem to transform into warriors right on the page. Astonishing creations of visual trickery by masters of the art such as Escher, Dali, and Archimboldo make this breathtaking collection the definitive book of optical illusions. Includes an illuminating Foreword by the Pulitzer Prize winning author Hofstadter **Encyclopedia of Contemporary Christian Fiction** Nancy M. Tischler, 2009-09-10 A biographical encyclopedia of American and British Christian-themed writers from World War II to the present, covering acclaimed literary works and popular evangelical fiction. *Encyclopedia of Contemporary Christian Fiction* From C. S. Lewis to *Left Behind* spans the entire breadth of Christian-themed British and American writing from World War II to the present, well-known and less familiar authors, acclaimed literary novels, and popular writing in a variety of genres: mysteries, thrillers, romances, works that explore matters of faith, works that challenge orthodoxy and church practices, and works wholly written by and for devout evangelicals. *Encyclopedia of Contemporary Christian Fiction* offers 90 alphabetically organized entries covering the field's most important writers. Each entry includes a brief biography, religious and educational background, a survey of major works and themes, and a summary of critical response as well as a bibliography of major works and criticism. By examining evocative, sometimes overlooked Christian elements in modern fiction and by exploring the depth and scope of popular evangelical fiction, *Encyclopedia of Contemporary Christian Fiction* offers the richest, most complete portrait of the role of faith in modern English writing ever published. *Cape Light* Thomas Kinkade, Katherine Spencer, 2004 A heartwarming novel from America's most popular living artist journeys to the picturesque village of Cape Light on the coast of New England, a hamlet populated by colorful inhabitants who share a strong sense of community and caring for their neighbors.
