

A vibrant, isometric illustration of a VMware lab setup. At the top, a series of icons (clouds, gears, and circles) are connected by dashed lines, suggesting a network or cloud environment. Below this, the text "VMWARE LAB SETUP" is prominently displayed in a large, stylized font with a blue-to-green gradient and a thick black outline. In the foreground, a desktop computer with two monitors is shown on the left. The left monitor displays a waveform graph, and the right monitor shows the text "GIBB". To the right of the computer are three server racks of increasing size, each with a glowing front panel. The entire scene is set against a dark blue background with a grid pattern and colorful lines connecting the various components.
