Gilmour, 2005-06-24 One of very few books on religion and popular music Covers a wide range of musical styles from heavy metal and rap to country jazz and Broadway musicals The essays are written by academics and informed by their enthusiasm for the music **The Face of Resistance** Aung Zaw, 2013-07-15 Aung San Suu Kyi is a world renowned inspirational symbol of Burmese resistance and courage Released in 2010 after spending fifteen of the previous twenty one years under house arrest she emerged into a Burma that has finally begun to court democracy and many are now looking to her to lead the country But is it possible for Suu Kyi to mend the deep divisions in Burmese society Who are the groups that make up Burma's face of resistance What is it they are fighting for And how can she unite these disparate factions into one cohesive group to take on the current regime in the elections scheduled for 2015 Former political activist and exile Aung Zaw explores these questions in the context of his own experiences and sheds light on those people who have fought alongside Suu Kyi for decades in Burma's resistance movement The book profiles key members of the National League for Democracy examines the background of prominent activists involved in the 1988 student uprising and focuses on the next generation of democracy leaders From an insider's perspective Aung Zaw demystifies the volatile state of contemporary Burmese politics and the background of Burma's current president Thein Sein and poses questions about the ongoing debate of international sanctions versus investment in the light of Burma's untapped natural resources The Face of Resistance is a timely and succinct reminder that despite international accolades Burma is far from free What Others are Saying This book indeed gives a face to the resistance against Burma's dictatorship Brilliantly written it should be read by everyone interested in contemporary Burma and its ongoing struggle for democracy Bertil Lintner [Burma Redux](#) Ian Holliday, 2012-03-06 Contemporary Myanmar faces immense political challenges and the role outsiders might play in dealing with them is highly contentious Drawing on views expressed by local citizens Burma redux argues for committed strategies of grassroots involvement that engage international aid
