Patton's Prayer Alex Kershaw, 2025-06-03 From Alex Kershaw author of the New York Times bestseller Against All Odds comes an epic story of courage resilience and faith during the Second World War General George Patton needed a miracle In December 1944 the Allies found themselves stuck Rain had plagued the troops daily since September turning roads into rivers of muck slowing trucks and tanks to a crawl A thick ceiling of clouds had grounded American warplanes allowing the Germans to reinforce The sprint to Berlin had become a muddy bloody stalemate costing thousands of American lives Patton seethed desperate for some change any change in the weather A devout Christian he telephoned his head chaplain Do you have a good prayer for

the weather he asked The resulting prayer was soon printed and distributed to the 250 000 men under Patton s command Pray when driving the men were told Pray when fighting Pray alone Pray with others Pray by night and pray by day Pray for the cessation of immoderate rains for good weather for Battle Pray for victory Pray for Peace Then came the Battle of the Bulge Amid frigid temperatures and heavy snow 200 000 German troops overwhelmed the meager American lines in Belgium s Ardennes Forest massacring thousands of soldiers as the attack converged on a vital crossroads town called Bastogne There the 101st Airborne was dug in but the enemy were lurking hidden in the thick blanket of fog that seemed to never dissipate A hundred miles of frozen roads to the south Patton needed an answer to his prayer fast before it was too late

Voice of the Dark Mary Graves,2021-03-12 As you will see this book is about my encounter with the Dark I have looked into the face of Satan himself Tragically through all my sin including two abortions and my complete rejection of our Lord Jesus Christ I ultimately invited Satan and his cohorts into my soul I know that is what they tried to do even when I was a child but it was only through my actions that they were successful I went through three exorcisms and as you will see the last one set me free from the grips of the Dark Father Martin shared his account of the final exorcism with you in the Foreword of this book because I myself know that I wouldn t believe it if it weren t for his testimony I endured years of torment and I wanted to share my story with you as I give Jesus Christ all the glory He never let me go as He promises in the Bible My childhood was very difficult as I am sure that many of you have experienced as well My father was a career Marine and he truly suffered I have shared his story with you in the book including the complete devastation of his court martial after fifteen years of service I also wanted to share this with you because I believe that my experience with the evil one actually began when I was about six years old due to the many traumatic experiences I endured I hope you will read this book as I know we all suffer in one way or another and I hope this story will bring you to hope in the mercy of God for your life and to help you through any sufferings that you may be enduring

Marginal Voices, Marginal Forms ,2023-11-27 Diaristic writing has often been relegated to the fringes of literary studies as a marginal cultural activity This volume seeks to challenge that marginality by exploring some of the wide ranging forms of literary practice encompassed by diaristic writing in Europe from the Renaissance to the present day The volume deals with questions of the value and status of the diary of the functioning of the diary in society and history and of the reception and interpretation of the multifarious forms of first person daily writing The volume investigates diaries across national borders and linguistic boundaries so as to make the hitherto marginal place of the private journal a site of fruitful interdisciplinary encounters Australian British Catalanian French German and Italian critics examine diaries dating from the sixteenth to the twentieth century within the context of the literature history and literary history of Catalonia England France Germany and Italy A prime concern of the essays in this collection is to highlight the cultural generic and historical diversity of the diary while emphasising the points of convergence between different texts and differing critical approaches to the texts The volume will be of interest to students and teachers of European and

McManus,2008-10-07 A comprehensive and vivid account of the heroic defense of Bastogne McManus has taken a great old story and made it new again Rick Atkinson Pulitzer Prize Winning Author of An Army at Dawn During the Battle of the Bulge the 101st Airborne made their legendary stand at Bastogne But their heroics never could have happened if not for the unsung efforts of others This is the powerful yet little known story of the bloody delaying action fought by the 28th Infantry Division elements of the 9th and 10th Armored Divisions and other smaller units Outnumbered and outgunned they made the Germans pay for every icy inch of ground they gained It was their gallant efforts that allowed the 101st Airborne to reach and fully occupy Bastogne and prepare for the ferocious attack to come Featuring numerous helpful maps and a complete list of the soldiers local civilians and German commanders whose actions it recounts Alamo in the Ardennes provides a compelling day by day account of this pivotal moment in America s greatest war
