But in the 1970s in India the Swiss Alps and elsewhere she served on the personal staff of the most famous guru of the 20th century Maharishi Mahesh Yogi. Maharishi died in 2008 at age ninety but his influence endures through the spiritual movement he founded TM Transcendental Meditation. Other books have been written about him but this spellbinding page turner offers a rare insider's view of life with the guru including the time the Beatles studied at his feet in Rishikesh India and wrote dozens of songs under his influence. Both inspirational and disturbing, *Maharishi and Me* illuminates Susan's two decades living in Maharishi's ashrams where she grew from a painfully shy teenage seeker into a spiritually aware teacher and author. It features behind-the-scenes myth-busting stories and over 100 photos of Maharishi and his celebrity disciples the Beatles, Deepak Chopra, Mia Farrow, Beach Boys and many more. Susan's candid honest portrayal draws back the curtain on her shattering extreme emotional seesaws of heaven and hell at her guru's hands. This compelling haunting memoir will continue to challenge readers long after they turn its last page. It dismantles all previous beliefs about the spiritual path and how spiritual masters are supposed to behave. Susan shares: "Merely by being in his presence we disciples entered an utterly timeless place and rapturous feeling and at the same time realized the utter futility and insanity of the mundane world." Susan's heartfelt masterwork blends her experiences, exacting research, artistically descriptive and humorous writing, emotional intelligence and intensely personal inner exploration into a feast for thought and contemplation. Neither starry-eyed nor antagonistic, it captures from a balanced viewpoint the essence of life in an ashram.

Teaching Mindfulness Donald McCown, Diane K. Reibel, Marc S. Micozzi, 2010-03-10 The applications and use of mindfulness based interventions in medicine, mental health care and education have been expanding as rapidly as the empirical evidence base that is validating and recommending them. This growth has created a powerful demand for professionals who can effectively deliver these interventions and for the training of new professionals who can enter the fold. Ironically while the scientific literature on mindfulness has surged little attention has been paid to the critical who and how of mindfulness pedagogy. *Teaching Mindfulness* is the first in-depth treatment of the person and skills of the mindfulness teacher. It is intended as a practical guide to the landscape of teaching to help those with a new or growing interest in mindfulness based interventions to develop both the personal authenticity and the practical know-how that can make teaching mindfulness a highly rewarding and effective way of working with others. The detail of theory and praxis it contains can also help seasoned mindfulness practitioners and teachers to articulate and understand more clearly their own pedagogical approaches. Engagingly written and enriched with vignettes from actual classes and individual sessions, this unique volume places the current mindfulness based interventions in their cultural and historical context to help clarify language use and the integration of Eastern and Western spiritual and secular traditions. Offers a highly relational understanding of mindfulness practice that supports moment-by-moment work with groups and individuals. Provides guidance and materials for a highly experiential exploration

of the reader's personal practice embodiment and application of mindfulness Describes in detail the four essential skill sets of the mindfulness teacher p Proposes a comprehensive systematic model of the intentions of teaching mindfulness as they are revealed in the mindfulness based interventions Includes sample scripts for a wide range of mindfulness practices and an extensive resource section for continued personal and career development Essential for today's practitioners and teachers of mindfulness based interventions Teaching Mindfulness A Practical Guide for Clinicians and Educators brings this increasingly important discipline into clearer focus opening dialogue for physicians clinical and health psychologists clinical social workers marriage and family therapists professional counselors nurses occupational therapists physical therapists pastoral counselors spiritual directors life coaches organizational development professionals and teachers and professionals in higher education in short everyone with an interest in helping others find their way into the benefits of the present moment

**On the Road to Enlightened Duality** M. Young, 2015-08-28 While traveling the road on pilgrimage or following American Baul Master Khepa Lee Lozowick 1943-2010 in his daunting travel schedule author Mary Angelon Young crafted a collection of essays that explore and evoke the many moods of Enlightened Duality one of Lozowick's core teachings in the path of Western Bauls This dynamic spiritual principle suggests that the spiritual seeker can combine an integrated awareness of the nondual all is One with a lively conscious relationship to the duality or play of opposites that is the constant fare of everyday life Unlike those strictly nondual perspectives that relegate the human experience to an illusion of the mind Lozowick asserted that while nondual unity is the foundation of what is simultaneously life is real These original essays cover such universal themes as Impermanence Beauty and Transformation and comprise one wayfarer's reflections reveries and research Some are flavored with academic spice but most are predominantly experiential presenting a kaleidoscopic journey that unfolds much like a large multifaceted jewel looked at from many different directions Each essay has its own integrity and stands on its own authority Yet taken as a whole they form a useful map of the tantric path charting its depths through daily events travel relationships creativity and work all continuous integrated aspects of the transformational path The teaching of enlightened duality can be found in many guises within the world's great traditions including Sufi Vajrayana Buddhist and both bhakti and tantric Hindu paths It is a universal theme and yet the treatment here runs true to the theistic underpinnings of the lineage from which it comes Khepa Lee Lozowick Sri Yogi Ramsuratkumar and Swami Ramdas From this view the highest aim of spiritual practice is to integrate mystical experience and insights of nonduality into ordinary life This book provides a genuine feast of practical wisdom for the hungry seeker who yearns for a path through life that is both transformational and yet honoring of the innate dignity and potential of the human incarnation The author has travelled extensively in India and Europe has studied the Sanskrit Hindu and Buddhist traditions and has written published an extensive treatise on the Baul Path The Baul Tradition Hohm Press 2014

**Joyce in the Belly of the Big Truck; Workbook** Joyce A. Cascio, 2005-05 Chogyam Trungpa Fabrice Midal, 2004-12-28 Chogyam Trungpa is virtually synonymous with the transmission of Tibetan Buddhism to the West. Over the course of his seventeen year teaching career in North America, Trungpa ushered in a radically new approach to spirituality, both rooted in the ancient wisdom of the buddhadharma and thoroughly situated in the contemporary world. His teachings grounded in what he called the Shambhala vision, focused on the development of an enlightened society through the transformation of ordinary everyday life into sacred activity. Steering between Western biography and traditional Tibetan hagiography, Fabrice Midal takes you on a soaring journey through Trungpa's life and teachings. Touching on all of the most momentous events, this series of glimpses into Chogyam Trungpa's world provides a rare view on the formation of Trungpa's thought and the remarkable body of teachings and writings that remain as his legacy. Included are accounts of Chogyam Trungpa's education in Tibet under the tutelage of great tantric masters like Jamgon Kongtrül of Sechen and Khenpo Gangshar. The founding of landmark centers for Buddhist practice and education such as the Naropa Institute (now Naropa University), Karmachö Ling, and the Rocky Mountain Dharma Center (now the Shambhala Mountain Center). Trungpa's historic meeting with the sixteenth Gyalwa Karmapa in 1974, the first ever visit of the Karmapa to America. Behind the scenes stories of Trungpa's most treasured writings including *Meditation in Action*, *Cutting Through Spiritual Materialism*, and *Shambhala: The Sacred Path of the Warrior*. And much more.

*The Superhuman Life of Gesar of Ling* Alexandra David-Neel, 2001-05-01 King Gesar, renowned throughout Tibet and Central Asia, represents the ideal warrior, the principle of all victorious confidence. As the central force of sanity, he conquers all his enemies, the evil forces of the four directions who turn people's minds away from the true teachings of Buddhism. These enemies graphically represent the different manifestations of

cowardly mind As Ch gyam Trungpa explains in the Foreword When we talk here about conquering our enemy it is important to understand that we are not talking about aggression The genuine warrior does not become resentful or arrogant It is absolutely necessary for the warrior to subjugate his own ambition to conquer at the same time that he is subjugating his other more obvious enemies Thus the idea of warriorship altogether is that by facing all our enemies fearlessly with gentleness and intelligence we can develop ourselves thereby attaining self realization The legends of Gesar usually take weeks for a bard to recount Filled with magic adventure and the triumphs of this great warrior king the stories will delight all young and old alike *Shambhala* Chögyam Trungpa,2006 **Milarepa** Chögyam Trungpa,2017-03-28 A renowned meditation master retells the stories and realization songs of Tibet s best known and most beloved religious figure and reveals how they relate to our everyday lives He went from being the worst kind of malevolent sorcerer to a devoted and ascetic Buddhist practitioner to a completely enlightened being all in a single lifetime The story of Milarepa 1040 1123 is a tale of such extreme and powerful transformation that it might be thought not to have much direct application to our own less dramatic lives but Ch gyam Trungpa shows otherwise This collection of his teachings on the life and songs of the great Tibetan Buddhist poet saint reveals how Milarepa s difficulties can be a source of guidance and inspiration for anyone His struggles his awakening and the teachings from his remarkable songs provide precious wisdom for all us practitioners and show what devoted and diligent practice can achieve **The Epic of Gesar of Ling** Jamgon Mipham,2013-07-09 The Gesar of Ling epic is the Tibetan equivalent of The Arabian Nights For hundreds of years versions of it have been known in oral and written form in Tibet China Central Asia and across the eastern Silk Route King Gesar renowned throughout these areas represents the ideal warrior As a leader with his people s loyalty and trust he conquers all their enemies and protects the peace His life story which is full of miracles and magic is an inspiration and a spiritual example to the people of Tibet and Central Asia even today Gesar s warrior mask can be seen in the town square and on the door of homes in towns and villages throughout this area As a Buddhist teaching story the example of King Gesar is also understood as a spiritual allegory The enemies in the stories represent the emotional and psychological challenges that turn people s minds toward greed aggression and envy and away from the true teachings of Buddhism These enemies graphically represent the different manifestations of the untamed mind The teaching is that genuine warriors are not aggressive but that they subjugate negative emotions in order to put the concerns of others before their own The ideal of warriorship that Gesar represents is that of a person who by facing personal challenges with gentleness and intelligence can attain spiritual realization This book contains volumes one through three which tell of Gesar s birth his mischievous childhood his youth spent in exile and his rivalry for the throne with his treacherous uncle The Gesar epic tells how the king an enlightened warrior in order to defend Tibet and the Buddhist religion from the attacks of surrounding demon kings conquers his enemies one by one in a series of adventures and campaigns that take him all over the Eastern world He is assisted in his adventures by a cast of heroes and

magical characters who include the major deities of Tibetan Buddhism as well as the native religion of Tibet Gesar fulfills the Silk Route ideal of a king by being both a warrior and a magician As a magician he combines the powers of an enlightened Buddhist master with those of a shamanic sorcerer In fact at times the epic almost seems like a manual to train such a Buddhist warrior magician In the story the people and nation of Ling represent the East Asian notion of an enlightened society There meditation magic and the oral folk wisdom of a communal nomadic society are synchronized in a lifestyle harmonious with the environment but ambitious for growth and learning and refined literate culture Filled with magic adventure and the triumphs of this great warrior king the stories will delight all young and old alike The Gesar epic is still sung by bards in Tibet The words of the Gesar epic have never been translated into a Western language before **Chögyam Trungpa Rinpoche at Lama Foundation ,1974**
