Warriors Every Man Matters:

Warriors Michael Obermire, 2011-12 *Warriors Every Man Matters* is a collection of short stories with a Christian message presented in an adventurous dramatic fashion infused with humor and realism. The author uses brief yet in depth vignettes of everyday life to explore how we can embody a biblical concept: hope, love, forgiveness, each day. *Warriors* also addresses the big issues like the death of a family member and drug use but never in an accusing manner. The main characters ranging from soldiers, construction workers, boxers, and professional baseball players to fathers, businessmen, and families create a wide reader appeal. The primary target audience is men but women have also shown a strong interest. Questions and thoughts to consider are included at the end of each of the twenty-five stories to encourage the use of *Warriors* for weekly study in a church or men's group.

Poets and poetry of the Lennox. Intr. matter, biogr., selection and arrangement, by D. Macleod Donald Macleod, 1889 The Atlantic Monthly, 1918 The Expositor Samuel Cox, Sir William Robertson Nicoll, James Moffatt, 1906 *Honorable Warrior* Lewis Sorley, 1998 A man of extraordinary inner strength and patriotic devotion, General Harold K. Johnson was a soldier's officer loved by his men and admired by his peers for his leadership, courage, and moral convictions. Lewis Sorley's biography provides a fitting testament to this remarkable man and his dramatic rise from obscurity to become LBJ's Army Chief of Staff during the Vietnam War. A native of North Dakota, Johnson survived more than three grueling years as a POW under the Japanese during World War II before serving brilliantly as a field commander in the Korean War for which he was awarded the Distinguished Service Cross for extraordinary heroism. The latter experiences led to a series of high-level positions that culminated in his appointment as Army chief in 1964 and a cover story in *Time* magazine. What followed should have been the most rewarding period of Johnson's military career. Instead, it proved to be a nightmare as he quickly became mired in the politics and ordeal of a very misguided war. Johnson fundamentally disagreed with the three men: LBJ, Secretary of Defense Robert McNamara, and General William Westmoreland running our war in Vietnam. He was sharply critical of LBJ's piecemeal policy of gradual escalation and his failure to mobilize the national will or call up the reserves. He was equally despondent over Westmoreland's now infamous search and destroy tactics and reliance on body counts to measure success in Vietnam. By contrast, he advocated greater emphasis on cutting the North's supply lines, helping the South Vietnamese provide for their own internal defenses, and sustaining a truly legitimate government in the South. Unheeded, he nevertheless continued to work behind the scenes to correct the nation's flawed approach to the war. Sorley's study adds immeasurably to our understanding of the Vietnam War. It also provides an inspiring account of principled leadership at a time when the American military is seeking to recover the very kinds of moral values exemplified by Harold K. Johnson. As such, it presents a profound morality tale for our own era.
