Wellington The Iron Duke Author Richard Holmes Mar 2005:

Wellington: The Iron Duke (Text Only) Richard Holmes, 2012-06-28 In this compelling book Richard Holmes tells the exhilarating story of the Duke of Wellington Britain's greatest ever soldier **People of Today**, 2006 The Iron Duke Richard Holmes, 2002 The story of Arthur Wellesley Duke of Wellington one of Britain's finest soldiers both on and off the battlefield Accompanies the BBC TV series The Iron Duke Lawrence James, 1992 Wellington the Beau Patrick Delaforce, 2005-09-01 The military achievements of Arthur Wellesley the first Duke of Wellington have been well documented and deservedly so Inevitably his fame and success made him attractive nay irresistible to the opposite sex and over the many years of his campaigning away from home he came into contact with a great number of beautiful and powerful ladies Patrick Delaforce focuses in a tasteful way on these relationships which often had an important influence on the Great Man and occasionally on the shape of history Many of his encounters were undoubtedly platonic others certainly not The Life of the Duke of Wellington the "Iron Duke.", 1881 **"The Iron Duke."Memoirs of the Duke of Wellington. Biography. - III.), 1847 Wellington Elizabeth Longford, 2001 A short biography of Wellington the Iron Duke one of the best known military commanders of British history Covers not only Wellington the war hero and Waterloo but also his political career and Wellington the ladies man and his marriage to Kitty Pakenham **Wellington the Beau** Patrick Delaforce, 1990-01-01 **Memoir and Military Biography of ... the Late Duke of Wellington** Richard Ford, 1852 *Life of the Duke of Wellington.* Arthur Wellesley Duke of Wellington, 1927* *The Story of Wellington (Illustrations)* Harold F. B. Wheeler, 2015-11-12 In this the last of a trio of volumes dealing with three great contemporary men of action I have attempted to tell the story in its main lines of the crowded life of Wellington The narrative provides as substantial a view of Wellington as is possible within the limits of my space but I hope that readers of my book will be so interested that they will go on to the perusal of its companions for the careers of Napoleon Nelson and Wellington should be studied together They are the three sides of a triangle of which Napoleon is the base The Duke's career when compared to the others is a plain unvarnished tale not altogether devoid of romance certainly not of adventure but lacking in many of the qualities which have endeared less notable men It would be

obviously untrue to state that Wellington lacked humanity but he was certainly deficient in that attractive personal magnetism so evident in Nelson Speaking broadly he did not repose that confidence in his subordinates which was one of the great sea captain's most marked characteristics and he often said hard things of the men under him Nelson is the darling Hero of England Wellington will always be known as the Iron Duke If it ever became the fashion to canonize military and naval men Nelson's nimbus would be of rosemary Wellington's of steel The mob never broke the windows of Merton Place but it shattered every exposed pane in Apsley House The incident arose from his conscientious opposition to reform and occurred in 1831 sixteen years after the battle of Waterloo A little over a decade later an immense mob cheered him as he proceeded up Constitution Hill His acknowledgment was to point to the iron shutters of his house when he reached Hyde Park Corner They had been put up after the bombardment by brickbats and were never taken down during his lifetime In a way Wellington is the typical John Bull of our fancy He gloried in an open air life he enjoyed sport he was a man wedded to duty stern and uncompromising once his mind was made up We love to imagine that the average Briton displays the same characteristics although we know at heart that he does not do so and that the secret of our material success as a nation is our extraordinary power of absorption of setting our sail to every passing breeze of compromising provided we get the best of the bargain This is how the Duke appeared to a foreigner the Duchesse de Dino Talleyrand's niece He has a very exact memory and never quotes incorrectly He forgets nothing and exaggerates nothing and if his conversation is a little dry and military it attracts by its fairness and perfect propriety His tone is excellent and no woman has ever to be on her guard against the turn that the conversation may take In later years Wellington's memory failed somewhat He was invariably precise always a soldier and never given to what is generally known as small talk In a word he commanded A more intimate and less familiar view of Wellington is afforded us in the diary of Benjamin Robert Haydon who painted the Duke's portrait at Walmer Castle in the autumn of 1839 During breakfast he tells us six dear healthy noisy children were brought to the windows Let them in said the Duke and in they came and rushed over to him saying How d'ye do Duke How d'ye do Duke One boy young Grey 9 roared I want some tea Duke You shall have it if you promise not to slop it over me as you did yesterday Toast and tea were then in demand Three got on one side and three on the other and he hugged em all Tea was poured out and I saw little Grey try to slop it over the Duke's frock coat Sir Astley Cooper said You did not expect to see this To be continue in this ebook
