Wesley And The Quadrilateral Renewing The Conversation

Prof. Lacey C. Warner

Wesley And The Quadrilateral Renewing The Conversation:

Wesley and the Quadrilateral W. Stephen Gunter, 1997 A collection of five essays discussing the origin meaning and relevance of the United Methodist Church's Wesleyan Quadrilateral which is scripture tradition reason and experience The authors agree that American Methodism theology should give scripture primary importance over the other areas without negating them in order to move past the current debate and into the twenty first century

A Man Of One Book? Donald A. Bullen, 2007-12-01 John Wesley claimed to be a man of one book and early Wesley scholarship accepted uncritically that the Bible was his supreme authority In the late twentieth century American Wesley scholars discussed what has been termed the Wesley Quadrilateral the authority of the Bible tradition reason and experience and this to some extent helps explain the method by which Wesley read and interpreted the Bible However modern biblical reader response criticism has drawn attention to the central role of the reader in his/her interpretation of scriptural texts Donald Bullen argues that Wesley came to the Bible as a reader with the presuppositions of an eighteenth century High Church Arminian Anglican in which tradition he had grown up He then found his beliefs confirmed in the scriptural text Claiming to base all his beliefs on the Bible he found himself in controversy with others who made similar claims but came to different conclusions The implications of this are explored in depth

Revitalizing Theological Epistemology Steven B Sherman, 2010-03-25 In *Revitalizing Theological Epistemology* Steven B Sherman addresses questions about what evangelical theology ought to be doing in light of the changing cultural situation He wonders if the Christian faith should continue to be presented and defended mainly according to Enlightenment principles when growing criticism of modern thought is affecting virtually every discipline and if evangelicalism and its intellectual leaders ought to wait it out or whether they should re-vision their theology This book is about contemporary evangelical approaches to the knowledge of God considering and suggesting ways Christian philosophers and theologians envision and make use of theological knowledge in the postmodern context

The Method of Our Mission Prof. Lacey C. Warner, 2014-07-15 Theology shapes who we are and how we organize to transform the world Especially written for required United Methodist classes this accessible book uses a Wesleyan theological frame connection to help readers understand United Methodism's polity and organization as the interrelationship of our beliefs mission and practice The book is organized into four parts United Methodist beliefs mission practice and organization Polity and organization are primary embodiments of The United Methodist Church Functional in nature these aspects of the denomination facilitate our mission to make disciples for the transformation of the world This book connects denominational governance and organization to our beliefs as well as our mission A clear understanding of our identity as Methodists with Wesleyan roots in connection and our purpose to make disciples for the transformation of the world can help students of United Methodism navigate this treacherous landscape as present and future leaders Warner also addresses the estrangement between theology and institutional structures and practice by framing governance practices and organizational

structure within a Wesleyan theology of connection This approach will assist current and future denominational leaders in understanding their practices of administration and participation in polity as a theological endeavor and key component of their ministries This textbook has been updated with changes from the 2016 General Conference Preaching and Paul's Letter to the Romans Ronald J. Allen, 2025-07-10 Ronald J Allen argues that the apostle Paul wrote his letter to the Romans to address specifically the gentiles in the congregation in Rome Allen suggests that this was because the gentiles exhibited arrogant behavior towards Jewish members of the community thereby undermining a primary facet of the early church to witness to the community of love and mutual support that God seeks for all Allen shows readers how Paul points the gentiles to the faithfulness of God who invites them to recognize and live according to the grace of God shown to them through Jesus Christ In this pastorally engaged work Allen not only provides historical commentary on Romans but also helps preachers and scholars make connections between arrogance and its destructiveness in communities today as well as inviting congregations to participate in the grace that makes possible a loving and mutually respectful community The Death of Metaphysics; The Death of Culture Mark J. Cherry, 2006-08-05 The Latin root of the English word culture ties together both worship and the tilling of the soil In each case the focus is the same a rightly directed culture produces either a bountiful harvest or falls short of the mark materially or spiritually This volume critically explores the nature and depth of our contemporary cultural crisis its lack of traditional orientation and moral understanding Prime among the issues at stake are the meaning and significance of birth copulation suffering and death expressed in debates regarding human embryo experimentation and stem cell research the character of moral and scientific norms as well as more fundamentally the character of an adequate epistemology for coming to appreciate the deep nature of reality and its normative implications Given varying background ontological epistemological and axiological presuppositions different moral positions and political objections will appear as not merely morally permissible but as socially and politically obligatory **Belong** Melanie Dobson, 2025-10-17 Cultivate community and discernment to nurture the soul Discover a path to true belonging and spiritual growth within your congregation with this groundbreaking book Lead others through group spiritual direction for friendship and group spiritual direction for communal discernment Help them experience the power of authentic connections with others and God leading to fruitful ministry and transformation into faithful followers of Christ By embracing the rich tradition of early Methodist class meetings early monasticism and Ignatian and Quaker traditions this book offers practical guidance on spiritual direction for your community Learn how to navigate conflicts with grace and create a space for genuine community and spiritual wholeness An appendix with guidelines schedules and more provides helps for implementation is available online with purchase In a world filled with loneliness and division sow seeds of belonging with group spiritual practices that foster unity and consensus Journey towards God's preferred future where connection brings us together as one in faith and love Proceedings of the Wesley Historical Society Wesley Historical Society, 1999 List of members in v 4 5 7

10 *John Wesley and the Netherlands* Johannes van den Berg, W. Stephen Gunter, 2002 This book makes a significant work by Johannes van den Berg on the travels of John Wesley to Holland accessible to English readers Stephen Gunter translates clarifies and writes an introductory essay demonstrating the importance of the Synod of Dort Wesley's Arminianism and Calvinism for Methodist history Back Cover **John Wesley** Robert C. Monk, 1999 Documents and assesses Wesley's broad dependence on Puritan source material by considering selected areas of theological concern shared by Wesley and the Puritans in their application of the gospel to a believer's daily life Andrews University Seminary Studies Andrews University. Seventh-Day Adventist Theological Seminary, 1999 The Recovery of Doctrine in the Contemporary Church Richard Heyduck, 2002 Heyduck examines the false options on doctrine that modernity has offered the church especially his own tradition United Methodism and suggests ways to get beyond this impasse **God of Nature and of Grace** Michael E. Lodahl, 2003 Too often Wesleyan theological tradition focuses almost exclusively on soteriology and anthropology neglecting the larger context of the creation In this book Michael Lodahl explores John Wesley's preaching and ministry as resources for developing a robust theology of nature This volume constructs a dialogue between Wesley's theology of creation and the present pregnant cosmological models in astronomy and physics Keeping in Touch Carol F. Krau, 2003 Krau describes 5 processes essential to every teacher or small group leader 1 Experiencing God through the means of grace 2 Listening to the deep yearnings of others 3 Reflecting on personal experience in the light of Scripture and Christian tradition 4 Participating in ministry mission 5 Building knowledge and skills for discipleship **'Heart Religion' in the Methodist Tradition and Related Movements** Richard B. Steele, 2001-07-17 This resource displays the variety of ways in which the Wesleys concept of the religion of the heart that is the affective dimension of Christian faith has been understood and embodied in the Methodist tradition The author then offers some practical suggestions on how a livelier piety a more deeply felt faith can be fostered in local congregations without leading into anti intellectualism fanatical emotionalism or maudlin sentimentality This part approaches theology worship preaching pastoral care and educational ministry *Episcopacy in the Methodist Tradition* Russell E. Richey, Thomas Edward Frank, 2004 This book explores Methodist episcopacy in the U S and reviews notions of and expectations about episcopal leadership held by United Methodists today After a careful historical study Richey and Frank give helpful perspectives on a current proposal to the 2004 General Conference by the Council of Bishops to elect a bishop who will serve a four year term as the Council's president More generally and for the longer term this book examines the need for organizational change and theological reflection on the office of bishop while reviewing the implications of such reorganization of the Council of Bishops including the election process By examining what Methodists have meant by the words itinerant general superintendent the authors discuss the polity of the Church and explore the constraints concern and possibilities for episcopal leadership **Methodist History**, 2003 *Anglican and Episcopal History*, 2000 Includes section Book reviews *Unmasking Methodist Theology* Clive Marsh, 2004 Annotation divBritish

Methodism is reshaping itself At a time of uncertainty about the future owing to declining numbers and an ever closer relationship with the Church of England a collection of the liveliest theological minds in contemporary Methodism have written a book which shows how recent theology can be a resource for the future Methodism has always had an active concern with both evangelism and social welfare and by means of its central organization it is able to coordinate efforts in these areas The book asks challenging questions about how this may develop in the complex post modern secular world

The to Z of Methodism Charles Yrigoyen, Susan E. Warrick, 2009-07-23 In 2003 Methodists celebrated the 300th anniversary of the birth of their founder John Wesley Today there are more than 300 Methodist denominations in 140 nations Covering the activities of this group that plays an important role in the ecumenical movement through its many social and charitable activities in world affairs this book offers more than 400 entries that describe important events doctrines and the church founders leaders and other prominent figures who have made notable contributions It also includes a list of commonly used acronyms chronology of historical events introductory essay on the history of Methodism bibliography listing of important libraries and depositories of Methodist materials The impressive list of contributors includes more than 60 specialists who are academics administrators pastors and theologians
