What Is The Rapture Like:

The Rapture Code Craig S. Luchin, 2010-03-03 Can there only be one Rapture The Rapture Code Part One of an Eight Book Coded Series This is the first book of an Eight Book Coded Series concerning Christian living I've been a Christian for 34 yrs and for over 30 of those years I have tried to augment the Rapture of the Church with additional biblical evidence I started out all those years ago to accomplish this one task Well God has greatly blessed me in that I found not one code concerning the Rapture but a coded series of eight codes total Thus each one relating to the Christians walking out their salvation in one aspect or another Doctrinally this first book pertains to the Rapture of the Church in a Pre Millennial position that promotes as true The Seven year Tribulation the Millennial Reign of Jesus Christ here on earth the little season of Satan and then the New Heavens and Earth What I have uncovered is a deeper answer that gives good reasons for all three rapture positions which are Pre Mid and Post Tribulation being three different raptures all taking place during this 7 year time period Thus there being three separate raptures instead of just one I see there are three raptures of three different groups of peoples in the Tribulation Period Instead of the one group of the one Rapture of the Church in only one of the three rapture positions offered us Namely the rapture positions of Pre or Mid or Post Tribulation Thus again I see three different raptures taking place as follows Rapture of the Church Rapture of the Two Witnessess Rapture of the Elect of Israel Pre Tribulation Mid Tribulation Post Tribulation Israel is always the key to proper biblical prophecy Without Israel in existence today as a nation there would be no final End Times Israel and the Church are separate in the Scriptures and so it only makes sense especially after seeing the evidence that I have accumulated in this book that Israel would have it's OWN rapture Further Christians are making the same error of judgment pertaining to Christ's Rapture of the Church seeing only one rapture that Israel made concerning Christ's First Coming Israel perceived wrongly that there was only one Coming of Christ which they were sorely mistaken and we now know that there are two Comings of the LORD one 2 000 yrs ago and one in the near future But Christians are making the same error in thinking that there is only one rapture of one major group of people The Rapture of the Church When in fact there are two raptures of two major groups of peoples as noted above Note The Two Witnesses are not a group though I feel with some Scriptural evidence that the 144 000 may go up with the Witnesses In which the Left Behind notion will be proved wrong Also I have found a word pattern order exclusive to the KJB that shows forth this order in many OT verses as well as the NT I have found the threefold pattern of these three raptures in the Breastplate of the High Priest in the Seven Feasts of Israel in the books of Daniel and Revelation in the books of Matthew Mark and Luke and in many other places In addition these truths will strengthen the Eternal Security of any Believer Finally I have discovered many new study aids for advance studies that only appear in the KJB which will strengthen the Christian for the ongoing battle for the Bible The King James Bible in which these study aids can and will be demonstrated throughout this Eight Book Coded Series by which these eight codes are based in Acts 3 The codes are there in this chapter four times in

a four times over repeating order perfectly This co

The Rapture: A Pre- or Post-Tribulation Event? Colleen Wandmacher, 2023-07-27 God tells us not to be deceived about the timing of us being caught up to meet Jesus in the air an event Christians refer to as the rapture He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events Diligently studying pertinent Scriptures in God s Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us This book helps the reader to deeply study the Word of God to see the truth I ve read a large number of books on the rapture debate and in my opinion this excellent book is by far the best While reading this book I felt like my spiritual glasses were being cleaned so I could see the simplicity of the truth of scripture again Well done Colleen Marvelous Five gold stars from me I have read several books about the rapture and end time prophecy including Pre Tribulation and Mid Tribulation and when I come across this book it was so clear logical and well written based solely on the scripture that I could grasp the subject clearly and convincingly which has helped me tremendously in making up my mind where to stand on the subject of the timing of the rapture at the end time Really recommended

The End of the World as You Know It Matthew L. Halsted, 2024-02-07 The Bible was written for us but not to us We must bridge the gap between Scripture s ancient context and our own Reading end times texts in their ancient context helps us understand our present and future And when we do we find that God s word brings peace not fear and confusion From Goodreads

The Lighter Side of the End of the World Mark LaFollette, 2012-11-12 If we treat Bible prophecy as a code to crack we are likely to end up in the wrong place When Jesus tells us about his return Hes talking to us about life Hes correcting encouraging and preparing us for whats coming next Whenever Jesus and his apostles teach about the future their goal is to empower us for life today The Lighter Side of the End of the World is an engaging walk through the full scope of the Bibles teaching on the End Times that will encourage you in your daily life To learn more go to www.knowthebiblebetter.com

Scripture On Scripture: The Book of Revelation Jonathan Witt, 2016-03-03 Scripture On Scripture The Book of Revelation is a Bible commentary written to explain this book of the Bible verse by verse while also demonstrating how this book fits with the rest of Scripture The Book of Revelation is one of the most unique and interesting books in all of the Bible There is much debate between Christians about whose interpretation of Revelation is correct This commentary is written from the perspective that the book of Revelation describes those things that are yet to come in the future and most likely the near future This commentary is written with several key beliefs in mind namely that Jesus Christ promised to literally return to rule over the Earth that His return will be preceded by a seven year Tribulation Period of judgment from God upon the Earth and that this Tribulation Period will be initiated by a supernatural Rapture of His Church from the Earth
