Reconsidered John William Lee, 2013-05 Marriage laws are rapidly changing in the United States. The underlying public sentiment that has allowed for this, however, has evolved more gradually. While the Bible frequently compares the love of God for his people to marriage, our culture's redefinition of marriage presents a serious problem. If we redefine and redesign marriage, what will that do to people's ability to comprehend what the Bible says? Lee contends that it may undermine that very ability. He makes the case that the Bible speaks consistently on the main aspects of this subject. Churches appear to be divided right down the middle. Those churches that tend to drift with society must face the Biblical issues squarely. Those churches that confuse God's law and grace merely end up moralizing. He insists that the call of God's grace in Christ puts a burden on the believer to honor marriage as God designed it. Marriage is too important to dismiss the Bible's clear message with platitudes and politically motivated talk. On the one hand, Christians should not be surprised when the surrounding culture migrates away from God's standards. The Bible warns that this will happen. On the other hand, the church is called to share the truths of judgment and mercy in a respectful manner. This book is a call for all who name Jesus Christ as Savior to follow him more deeply into his inspired word in Scripture. John William Lee, a Lutheran pastor, is a native of Washington State. He holds a Bachelor of Science degree in Music from the University of Puget Sound in Tacoma and a Master of Divinity degree from Luther Seminary, St. Paul, Minnesota. He has served parishes in Montana and Seattle and is currently serving in North Dakota. He is married and has two grown children and five grandchildren.

our experience marriage counseling is both expensive and ineffective I m sure there are some excellent marriage counselors that can get results but the majority are glorified listeners Yes having someone listen to your problems is valuable but it will not help repair your marriage The alternative is finding a qualified pastor who can help you The problem is that most of the pastors who are qualified to help are very busy running the church The available pastors are usually very young and inexperienced We ve found that the church has the intentions to help but they don t have the resources We noticed this gap Christian couples desperately want help but they can t find the help they need We ve decided to stand in the gap and tell our story with the hopes it will help christian couples repair their marriage This book could be the start of a new beginning for your marriage Why not take a gamble on your future From This Day Forward Eddie Rivera,2022-02-03 When couples marry out of love they never expect their lives to get worse But in too many marriages one day one or both people wake up and don t want to be in the marriage anymore I don t know how it went so wrong The relationship you have with your spouse is directly related to your happiness joy health finances legacy status community and just about everything else It should be protected and fought for at all costs Whether your marriage is fantastic and you just want to keep it there your marriage is starting to sour and don t like the direction it s going in or if you re at your last straw and feel it s your last chance to save your marriage this book is for you What you need to do is forget about the problems for just one moment and understand that hope is alive and well and your marriage can be everything you wanted it to be Dr Eddie Rivera Written in an easy to read style and filled with applicable information From This Day Forward contains information that can revive any marriage God has a better future planned for you filled with hope and love But it s up to you to believe it and do your part Redeeming Marriage Lindsey Wheaton Doss,Casey Doss,2021-08-17 In your marriage the enemy plans to divide and conquer But God is stronger Satan has a vested interest in destroying Christian marriages Today more than ever once happily married couples are falling victim to the enemy s onslaught crumbling to bitterness unfaithfulness and irreconcilable differences What was previously a last resort divorce has become commonplace even in the Church Lindsey Doss and her husband Casey have experienced this first hand They were a powerful Christian couple working together as key leaders of The Ramp one of the most dynamic youth ministries in the world But gradually Lindsey bought into the enemy s lies She left Casey moved to another city and prepared to begin a whole new life On the brink of finalizing the divorce God supernaturally exposed the lies at the root of their broken relationship brought her home and miraculously healed their marriage Through the journey Lindsey and Casey learned valuable skills for victory against the enemy on the battlefield of marriage In this powerful guide they teach you how to fight for your marriage through God s supernatural power even if everything feels hopeless Featuring powerful stories and practical principles this book will help you discover how to partner with the Holy Spirit in your marriage to achieve healing and wholeness Discover how Taking ownership of your choices overcomes the enemy and puts you in a position of victory Having a vision for your marriage gives you the courage to keep fighting when things get tough To
