Armageddon Apocalypse UFO's and GOD I. Eric, 2008-05 War famine and natural disasters these are the signs of the times that we live in Today's headlines could have been pulled directly from the book of Revelation in the Bible The Bible predicted that all of these events would occur in the years leading up to an event commonly known as the Apocalypse UFO's are related to Bible scriptures This information gives support thereof UFO sightings Worldwide will become more prevalent near the end times As stated in Chapter 3 pg 36 as Quoted in printed INK as of June 2006 Christians worldwide are well aware of these facts and prophecies that predict and foreshadow the end times but what about the non Christians the non believers Whether you are a believer or not this book will point out and explain that signs of the end times that are so prevalent today It will answer the questions that many people ask themselves you will be made aware of not only what is going to happen and how it's going to happen but also most importantly when it's going to happen You will also learn what you need to do to prepare yourself for this event It's not too late there is still time for you to do what you need to do to prepare yourself This book is a last and final warning to mankind The evilness of mankind is what has brought us to this point in time Murder mayhem sexual perversion and other crime has taken us down the road to ruin There is another road though A good road and it is possible to get on the good road before it's too late This book will paint a picture for you It will paint a picture of the past a picture of the present and a picture of the future This picture will help you to understand where we are today in present times and what we need to do to prepare for the future God is great and wonderful he has everything waiting for you and time is waiting for you I have been given a mission My mission is to set the record straight the record and the writings of the Bible I am going to explain to you everything what the purpose of life is behind God's great plans and why we are in existence and why there must be another life you have a right to know everything I know that I believe which is the entire messages of my mission be told for everyone whose going to find out any way during and after the Armageddon
