The Last Days Dr. William N. Glover S.T.D, 2016-06-25 Within the last pages of the Bible lies the story of the revelation of Jesus Christ as told to Apostle John While unveiling a chain of events foretold to precede and accompany the Messiah's return to Earth the book of Revelation also addresses the seven churches in Asia Minor that represent intriguing periods in church history Dr William Glover who first became interested in Revelation while attending college in New York explains the symbolism of the book while highlighting the methods God will use to accomplish his goals as the world as we know it comes to a close While discussing the various stages of doom predicted to occur Dr Glover methodically leads others through his interpretation of Revelation as it chronically presents futuristic events that include not just Christ's return but also the creation of a new heaven and earth The Last Days A Guide to Understanding the Book of Revelation provides a seasoned pastor's scriptural interpretations intended to help others understand and apply the teachings related to the final book of the Bible **The Day of the Lord, the Key to Understanding End-Time Prophecy** Allen M.

Barber,2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy Signposts of the Last Days Bill Goodwin,2012-06 SIGNPOSTS of The Last Days is not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner Remember that when Jesus came the first time all but two people were looking for a different kind of Messiah than the One they got Instead you will find the Biblical basis for twelve predicted events of the Last Days This book is written to review some of the available passages concerning these events that will lead to the end of the Last Days and how they relate to each other They are arranged in the order they are expected to happen It also is designed to relate coming events to the past times in which God has presented Himself to the world using different people This is your opportunity to separate the modern day scenarios seemingly written for Hollywood from what we might realistically expect should we be alive to see it all unfold Please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around **Understanding the End Times** Bob Yandian,2013-05-13 A Last Days Play by Play for the Christian Countless books have been written that link current events to end time scriptures predicting the soon return of Jesus But too often Christians have devalued the Bible message by predicting an Antichrist who dies or by predicting dates that come and go with no Jesus Bob Yandian Bible scholar and veteran pastor of more than 30 years says the whole point is to focus on God s unchanging plan not news headlines In Understanding the End Times Bob points out that while we have every reason to believe Jesus coming is imminent we need to focus on understanding God s plan for the ages by weaving together biblical prophecies and interpreting world events in light of it With straightforward scriptural teaching Bob outlines The Rapture of the Church The Judgment Seat of Christ The Tribulation Daniel s 70th week The Second Coming Dispensational truths The Millennial Reign FAQs Don t be concerned or confused about what s coming in the world This teaching will make it clear that the Bible does not line up with the world the world must line up with the Bible Christian look up to see that your redemption is closer than ever Understanding End Times Prophecy Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle

difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture **The Complete Idiot's**

by the Biblical last days Many people believe it means the end of physical life and the destruction of the earth But is that what the Bible really teaches In 1990 Dr Ron McRay wrote the original version of The Last Days At that time there were many predictions about the return of Jesus Christ and the end of the world All of those predictions failed as have the many before then and since Dr McRay who pastored a church for 35 years began to wonder if the main teachings about the rapture and end times prophecy were misunderstood and not in alignment with the teachings of the Bible He studied the scripture with a different mindset Putting aside his preconceived ideas and teachings he let the stories teachings and prophecies of the Bible form the picture of what was to transpire and more importantly when they would occur The first edition of his book shattered modern teachings by laying out in a simple way what Jesus was really saying and what the prophecies of thousands of years meant In the ensuing years since the first release Dr McRay has expanded his knowledge and understanding even

Sherman,2003-02-01 Last Days Prophecy A Jewish Believer s Perspective Millions of Christians anticipate a secret and silent pre tribulation rapture whisking them away to the glorious marriage supper of the Lamb This concept is alluring It would be a source of comfort to not pass through a coming great tribulation Although this doctrine has wide appeal does biblical evidence confirm it as truth The author contends from biblical prophecy that in the foreseeable future even those who have enjoyed religious freedom will be persecuted for faith in Christ As they are dragged to prison and even martyrdom they will be ridiculed as 2 Peter 3 3 4 predicts First of all you must understand that in the last days scoffers will come scoffing and following their own evil desires They will say Where is this coming he promised As a Jewish believer in Christ Steven Sherman understands the feasts fasts and festivals found in the Old Testament which are most valuable in comprehending Bible prophecy Revelation s prophecies were declared millennia ago for the benefit of God s church The foreknowledge of the end of the age has been revealed to the elect so that the elect will be encouraged to stand firm even while facing death and the tumultuous events of the tribulation Indeed Christ shall return for His church but will the church s purity shine from the fires of persecution Understanding prophecy correctly will help the church be ready as a spotless bride for the bridegroom End Times Explained Robinson John,2025-09-06 END TIMES EXPLAINED Prophecy and the Return of Christ Discover the truth about the last days in End Times Explained a clear and faith filled guide to understanding biblical prophecy and the return of Jesus Christ From the words of the prophets to the teachings of Jesus and the visions of Revelation this book brings together Scripture history and hope to help believers live with wisdom and readiness Whether you are new to the study of prophecy or seeking deeper understanding End Times Explained offers a balanced look at God s plan for the future Inside this guide you ll explore Key prophecies from Daniel Ezekiel and Revelation made simple and clear Signs of the times and how to recognize them in today s world The return of Christ and what the Bible says about His second coming The role of Israel the Church and the nations in God s timeline Insights into the rapture tribulation and millennium How to live with faith hope and courage in uncertain times Encouragement for believers to stand firm and share the gospel Whether you are studying alone with a group or simply curious about the future End Times Explained Prophecy and the Return of Christ is your essential companion for exploring what the Bible says about the last days and the glorious hope we have in Jesus **Unveiling the Mysteries of the Last Days** David A.
