The Revelation of Jesus Christ Jon Scott Birch, 2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and

those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches

From Flood to Fallen Kingdoms Jarno Moilanen, 2025-05-13 From Flood to Fallen Kingdoms FFFK is the first truly authoritative detailed and coherent young earth creationist overview of the post flood history of the ancient Near East and the land of Israel for laypersons and scholars alike It is a unique work which does not have serious rivals in the biblical creationist book market The lack of a good and comprehensive introductory book was the main reason why I started to write the book in the first place I have made use of the best available scholarly literature Christian as well as secular The book contains a lot of my own research but it is also in very good agreement with the archaeological articles written by A J M Osgood can be read at creation com and the books of David Down Unwrapping the Pharaohs and Unveiling the Kings of Israel for example FFFK follows the absolute chronology of Floyd Nolen Jones The Chronology of the Old Testament As a Bible faithful narrative introduction to the history and archaeology of the ancient Near East From Flood to Fallen Kingdoms is far better than the existing apologetic works that come towards the genre of FFFK Evidence for the Bible by Clive Anderson and Brian Edwards Ancient Post Flood History by Ken Johnson The World's Story 1 The Ancients by Angela O Dell for example From Flood to Fallen Kingdoms will strengthen the faith of numerous believing readers who take the Holy Scriptures seriously They will also be surprised to see how well the first five post flood centuries from Ararat to Abraham which until now have been in great darkness can be elucidated through proper interpretation of biblical and archaeological evidence

[Divine Beauty Revealed](#) Youngrae Kim, 2025-09-11 This book explores the theological aesthetics of Jonathan Edwards through the lens of his biblical

interpretation presenting a fresh and much needed perspective on one of America's greatest religious thinkers. While previous scholarship has focused heavily on Edwards's philosophical or systematic theology, this study uniquely centers his aesthetic vision on Scripture. It argues that Edwards's understanding of beauty, rooted in the Triune God revealed through Christ and reflected in creation, is fundamentally shaped by his exegetical writings and pastoral vocation. Engaging key works such as his *Sermons*, *Miscellanies*, *Religious Affections*, and *The Blank Bible*, the book demonstrates that Edwards's theology of beauty permeates core doctrines including the Trinity, salvation, ecclesiology, and eschatology. In contrast to Enlightenment rationalism, Edwards upheld the Bible as the supreme source of truth, interpreted through the Spirit, enabling a new sense of the heart. This study fills a critical gap in Edwards scholarship by integrating his aesthetic theology with his biblical hermeneutics, offering new insights into his vision of divine beauty and its transformative impact on the believer and the church.

No interpreter of the creation narratives can avoid interacting with this book. Derek W. H. Thomas: Christians have long discussed and debated the first three chapters of the Bible. How we interpret this crucial section of Scripture has massive implications for how we understand the rest of God's Word and even history itself. In this important volume, biblical scholar Vern Poythress combines careful exegesis with theological acumen to illuminate the significance of Genesis 1-3. In doing so, he demonstrates the sound interpretive principles that lead to true understanding of the biblical text while also exploring complex topics such as the nature of time, the proper role of science, interpretive literalism, and more.

Building upon historical, cultural, and literary context, *How to Read Genesis* 2nd Edition will not only enhance your knowledge but will also foster a deeper connection with the text and its timeless wisdom. Longman has long

been known for his ability to analyze disparate literary genres and historical elements of scripture while crafting a solid Christological perspective and on this point he does not disappoint That is he seeks to provide space for Genesis as literature myth history and at last ways to read Genesis as a Christian a perspective that he identifies as preposterous and distorting and yet not only prompted by Jesus himself as in Luke 24 but absolutely needed in the context of current Christian teaching and preaching This is a short valuable and timely look at a misunderstood book Library Journal Review February 2025
