Understanding Suicide Terrorism Psychosocial Dynamics:

Understanding Suicide Terrorism Updesh Kumar, Manas K. Mandal, 2016 This is a comprehensive compilation of articles by experts in the field of suicide terrorism from across the world and across disciplines with a focus on suicide missions. It provides an insightful perspective on suicide terror as a phenomenon and as a process and suggests psychosocial pathways for understanding the enigma that suicide terror poses.

Handbook of Suicidal Behaviour Updesh Kumar, 2017-10-26 This essential reference volume in the field of suicidology brings forth leading edge conceptualizations of suicidal behaviour by including emerging trends and recent research advances in the field across the globe. It highlights the trajectories of suicidal behaviour emphasizing the psyche behind attempting suicide, identifying vulnerable groups and bridging the gap between theoretical underpinnings and application for addressing the aftermath of suicide. The handbook delineates research progress on risk assessment among vulnerable groups of varied milieu. Furthermore, it introduces various avenues of change and well-being. It also addresses important concerns related to terrorism and suicide in the armed forces. This handbook is a comprehensive repository of the latest research synergized with theoretical conceptualizations that pave the way for newer approaches towards management and prevention of suicidal behaviour. It includes contributions by eminent authors across the globe and is a must-have resource for scholars, academics, and professionals in the areas of mental health and social work.

Handbook of Suicide Prevention Updesh Kumar, 2025-04-14 The Handbook of Suicide Prevention covers a broad range of topics related to suicidal behaviour, including its underlying causes, risk factors, prevention strategies, and therapeutic approaches. With contributions by renowned experts in the field, the volume brings forth the latest research and clinical insights into suicidal behaviour. It highlights evidence-based practices effective in reducing suicide risk. It provides a comprehensive overview of the multidimensional perspectives, including biological, psychological, and social factors contributing to suicidal ideation and behaviour. The book provides a nuanced and extensive understanding of how suicide risk and protective factors are shaped by social, cultural, and political contexts across the lifespan. The last section of the volume highlights the need for a multifaceted approach to suicide prevention by leveraging the latest technologies and therapeutic modalities while also addressing the social and cultural factors that contribute to suicide risk. Suicidal behaviour remains an intriguing phenomenon that demands addressing, being among the leading causes of death worldwide. The handbook is a compilation of essential resources that offers a multitude of theoretical and compassionate approaches to understanding and addressing this complex phenomenon. Its practical guidance and evidence-based recommendations make it an essential reference for anyone working in suicide prevention, mental health, and social work.
