Longenecker,1984 This is a print on demand book and is therefore non returnable To answer the question of what role the New Testament should play in the formation and expression of Christian social morality today Richard Longenecker here proposes a developmental hermeneutic which distinguishes between declared principles and described practices in the New Testament writings With this distinction in mind he focuses on the three couplets of Galatians 3 28 neither Jew nor Greek slave nor free male nor female showing how these matters were treated in early Christian thought and explaining their meaning for us today In so doing Longenecker lays a hermeneutical foundation for the much larger discussion of Christian social ethics
