Living in a Mindful Universe Eben Alexander, Karen

Newell, 2017-10-17 Dr Eben Alexander author of international phenomenon Proof of Heaven shares the next phase of his journey to understand the true nature of consciousness and how to cultivate a state of harmony with the universe and our higher purpose In 2008 Dr Eben Alexander's brain was severely damaged by a devastating case of bacterial meningitis and he lapsed into a weeklong coma It was almost certainly a death sentence but he miraculously survived and brought back with him an astounding story During those 7 days in coma he was plunged into the deepest realms of consciousness and came to understand profound truths about the universe we inhabit What he learned changed everything he knew about the brain mind and consciousness and drove him to ask a question confounding the entire scientific community How do you explain the origins of consciousness if it is not a byproduct of the brain His challenge relates to a revolutionary shift now underway within our modern scientific understanding Ultimately direct experience is key to fully understanding how we are all connected through the binding force of unconditional love and its unlimited power to heal In Living in a Mindful Universe the New York Times bestselling author of Proof of Heaven and The Map of Heaven shares his insights into the true nature of consciousness Embracing his radically new worldview he began a committed program of personal exploration into nonlocal consciousness Along the way he met Karen Newell who had spent most of her lifetime living the worldview he had only just discovered was possible Her personal knowledge came from testing various techniques and theories as part of her daily routine With Living in a Mindful Universe they teach you how to tap into your greater mind and the power of the heart to facilitate enhancement of healing relationships creativity guidance and more Using various modalities related to meditation and mindfulness you will gain the power to access that infinite source of knowing so vital to us all ultimately enriching every facet of your life

Crossing the Veil of Eternity Omar Han, Crossing the Veil of Eternity A Sufi Odyssey on Death and Beyond By Omar Han What lies beyond the final breath Where do we go when the veil lifts and the soul is called home Crossing the Veil of Eternity is a soul stirring exploration of death not as an end but as a sacred passage back to the Beloved Blending the mystic depth of Sufi tradition with universal spiritual truths Omar Han offers a luminous guide to the greatest mystery of all our return to the Divine Through sixty profound chapters filled with Quranic insight Prophetic wisdom Sufi teachings poetry and interfaith reflections this book invites readers on a spiritual odyssey into the heart of impermanence From the moment of birth to the final breath from the unseen realm Barzakh to the Day of Judgment this work weaves together philosophy theology metaphysics and lived human experience to illuminate the sacred journey of the soul If you've ever wrestled with grief feared the unknown or longed to live with deeper meaning Crossing the Veil of Eternity will guide you gently reminding you that death is not the darkness we dread but the doorway through which we awaken Inside this book discover Sufi perspectives on death dying and the afterlife The metaphysical journey of the soul Ruh and the lower self
