Meeting the Challenges to Measurement in an Era of Accountability Henry Braun,2016-01-29 Under pressure and support from the federal government states have increasingly turned to indicators based on student test scores to evaluate teachers and schools as well as students themselves The focus thus far has been on test scores in those subject areas where there is a sequence of consecutive tests such as in mathematics or English language arts with a focus on grades 4 8 Teachers in these subject areas however constitute less than thirty percent of the teacher workforce in a district Comparatively little has been written about the measurement of achievement in the other grades and subjects This volume seeks to remedy this imbalance by focusing on the assessment of student achievement in a broad range of grade levels and subject areas with particular attention to their use in the evaluation of teachers and schools in all It addresses traditional end of course tests as well as alternative measures such as portfolios exhibitions and student learning objectives In each case issues related to design and development psychometric considerations and validity challenges are covered from both a generic and a content

White,2016-03-31 Memorializing Pearl Harbor examines the challenge of representing history at the site of the attack that brought America into World War II Analyzing moments in which history is re presented in commemorative events documentary films museum design and educational programming Geoffrey M White shows that the memorial to the Pearl Harbor bombing is not a fixed or singular institution Rather it has become a site in which many histories are performed validated and challenged In addition to valorizing military service and sacrifice the memorial has become a place where Japanese veterans have come to seek recognition and reconciliation where Japanese Americans have sought to correct narratives of racial mistrust and where Native Hawaiians have challenged their ongoing erasure from their own land Drawing on extended ethnographic fieldwork White maps these struggles onto larger controversies about public history museum practices and national memory Producing Legality Marjorie Zatz,2014-03-18 Producing Legality provides a window into the official construction of socialist legality in Cuba and the dissemination of this legal consciousness throughout the country It links abstract theories of lawmaking and the state with the specific dilemmas confronting individual policymakers to detail the inner workings of the Cuban legal order **The Oxford Man** Roger Fritz-Simmons,2014-10-07 Two weeks afterwards Oscar asked Professor Koenig for a second date oops German Dialogue In the meanwhile he had encouraged Cutie to have one of her dialogues with the professor off campus Cutie asked the professor to meet her at the same restaurant Oscar had his class Oscar took Cutie to the restaurant before the appointed time he did not want the professor to see him for obvious reasons The dialogue went well and the professor took Cutie back to campus Cutie told Oscar about the wonderful time they had together and the affable personality of Professor Koenig Oscar was delighted about Cutie s successful dialogue and the intriguing web he was weaving He had to prevent Cutie from conjuring up any suspicion relative to the ulterior motive he harbored in asking for a second German dialogue Professor Koenig s house was a large luxurious palatial mansion Oscar stopped in the circular driveway he climbed the marble staircase to a big door that signaled entrance to the palace He spoke to the footman at the door and then went back down the stairs Oscar turned around to see the footman opened the door and goose bumps with a tingling feeling swept over him Professor Koenig stepped out in a red dress that accentuated indeed flaunted ever curve in her incredibly sexy body Oscar opened the door Professor Koenig graciously entered the car As Oscar looked around he saw a magnificent view of the city and the Caribbean Sea below He was high up in St Andrew Hills which was indicative of the unquestioned highest dating peak of his young life His heart was racing he was trembling as he entered the driver s seat He did not put his hand on the steering wheel in order to conceal his nervousness He sat there briefly trying to make light conversation never in his life was he in proximity to such a gorgeous creature of brain and beauty How could he even begin to communicate on a sexual level with this outstanding woman of power wealth and sophistication While he was in his contemplation she accidentally touched his
