Postcards from the Chihuahua Border Daniel D. Arreola, 2019-10-29 Just a trolley ride from El Paso Ciudad Juarez was a popular destination in the early 1900s Enticing and exciting tourists descended on this and other Mexican border towns to browse curio shops dine and dance attend bullfights and perhaps escape Prohibition America In *Postcards from the Chihuahua Border* Daniel D. Arreola captures the exhilaration of places in time taking us back to Mexico's northern border towns of Ciudad Juarez Ojinaga and Palomas in the early twentieth century Drawing on more than three decades of archival work Arreola uses postcards and maps to unveil the history of these towns along west Texas's and New Mexico's southern borders Postcards offer a special kind of visual evidence Arreola's collection of imagery and commentary about them shows us singular places enriching our understandings of history and the history of change in Chihuahua No one postcard tells the entire story But image after image offers a collected view and insight into changing perceptions Arreola's geography of place looks both inward and outward We see what tourists see while at the same time gaining insight about what postcard photographers and postcard publishers wanted to be seen and perceived about these border communities *Postcards from the Chihuahua Border* is a colorful and dynamic visual history It invites the reader to time travel to revisit another era the first half of the last century when these border towns were framed and made popular through picture postcards

Rebuilding Story Worlds Jan Baetens, 2020-06-12 A collaboration between Belgian artist François Schuiten and French writer Benoît Peeters *The Obscure Cities* is one of the few comics series to achieve massive popularity while remaining highly experimental in form and content Set in a parallel world full of architecturally distinctive city states *The Obscure Cities* also represents one of the most impressive pieces of world building in any form of literature *Rebuilding Story Worlds* offers the first full length study of this seminal series exploring both the artistic traditions from which it emerges and the innovative ways it plays with genre gender and urban space Comics scholar Jan Baetens examines how Schuiten's work as an architectural designer informs the series concerns with the preservation of historic buildings He also includes an original interview with Peeters which reveals how poststructuralist critical theory influenced their construction of a rhizomatic fictional world one which has made space for fan contributions through the Alta Plana website

Synthesizing cutting edge approaches from both literary and visual studies *Rebuilding Story Worlds* will give readers a new appreciation for both the aesthetic ingenuity of *The Obscure Cities* and its nuanced conception of politics *The Routledge Companion to Korean Literature* Heekyoung Cho, 2022-03-15 The *Routledge Companion to Korean Literature* consists of 35 chapters written by leaders in the field who explore significant topics and who have pioneered innovative approaches The collection highlights the most dynamic current scholarship on Korean literature presenting rigorous literary analysis interdisciplinary methodologies and transregional thinking so as to provide a valuable and inspiring resource for researchers and students alike This Companion has particular significance as the most extensive collection to date of English language articles on Korean literature it both offers a thorough intellectual engagement with current scholarship and addresses a broad range of topics and time periods from premodern to contemporary It will contribute to an understanding of literature as part of a broad sociocultural process that aims to put the field into conversation with other fields of study in the humanities and social sciences While presenting rigorous and innovative academic research that will be useful to graduate students and researchers the chapters in the collection are written to be accessible to the average upper level undergraduate student and include only minimal use of academic jargon In an effort to provide substantially helpful material for researching teaching and learning Korean literature this Companion includes as an appendix an extensive list of English translations of Korean literature Reading and Experience: A Philosophical Investigation Alexander Samely, 2024-06-10 This text is the first comprehensive attempt in decades to integrate reading into the philosophical discussion of the synthesis of experience more generally It offers a comprehensive critique of three disciplinary approaches to reading philosophical literary and empirical neuroscientific while developing an innovative and unifying phenomenological account It discusses texts from a variety of contemporary and historical contexts It is inclusive treating non fiction alongside fiction literary art alongside everyday texts and narrative alongside thematic discourse It addresses all reading practices found today casual and unreflective reading close and scholarly reading with re reading the analysis of literary art and sacred text study and memorization In the current intellectual landscape the book is unique in bringing all these aspects together in a philosophically coherent discussion The book provides a critique of philosophical accounts of text meaning and linguistic experience by philosophers from Husserl and Ingarden to Sartre Merleau Ponty Arendt Gadamer and Derrida and examines the positions of contemporary naturalizing phenomenologists such as Varela and Thompson Also treated are neuroscientists such as Dehaene and theorists of consciousness such as Kintsch Flanagan and Dennett Finally this volume engages with psychological linguistic structuralist theory of mind and experiential approaches in literary studies from B hler and Hamburger to Fludernik Herman and Kuzmi ov It appeals to students and researchers working in these fields **The Future of the Page** Peter Stoicheff, Andrew Taylor, 2004-12-15 The most basic unit of the physical book is the page It has determined the historical evolution of the book the types of information communicated and how the audience accesses that

information Unique and rewarding in both its scope and approach The Future of the Page is a collection of essays that presents the best of recent critical theory on the history and future of the page and its enormous influence on Western thought and culture Spanning the centuries between the earliest record of the page and current computerized conceptions of page like entities the essays examine the size of the page its relative dimensions materials design and display of information The page is broadly defined allowing the volume to explore topics ranging from medieval manuscripts to non European alternatives to the page Algonquin symbolic literacy and hypertext This thought provoking collection will appeal to literary scholars book historians graphic designers and those interested in the impact of evolving print technologies on intellectual and cultural life

How (Not) to Be Secular James K. A. Smith, 2014-05-01 How Not to Be Secular is what Jamie Smith calls your hitchhiker s guide to the present it is both a reading guide to Charles Taylor s monumental work A Secular Age and philosophical guidance on how we might learn to live in our times Taylor s landmark book A Secular Age 2007 provides a monumental incisive analysis of what it means to live in the post Christian present a pluralist world of competing beliefs and growing unbelief Jamie Smith s book is a compact field guide to Taylor s insightful study of the secular making that very significant but daunting work accessible to a wide array of readers Even more though Smith s How Not to Be Secular is a practical philosophical guidebook a kind of how to manual on how to live in our secular age It ultimately offers us an adventure in self understanding and maps out a way to get our bearings in today s secular culture no matter who we are whether believers or skeptics devout or doubting self assured or puzzled and confused This is a book for any thinking person to chew on
