The background is a vast, flat, sandy desert under a clear sky. The text 'Johannes Huwe' is printed in a small, black, sans-serif font above the main title.

World Speed Johannes Huwe:

World of Speed Johannes Huwe, 2020-01-13 In his group of works *World of Speed* Johannes Huwe in his own inimitable style captures images of the unique world of speed freaks in the Great Salt Lake desert in Northern Utah. The Salt Lake el Mirage can be found 16 miles north of Highway 18 where all roads end. This is a deserted and surreal place in the Mojave Desert with daytime temperatures of 45 degrees although seething with rattlesnakes it was still the perfect location for films like *Terminator 2* and *Lethal Weapon*. Land Speed racer is the name given to those daring men in their home made racing machines. This kind of racing is the last motor sports bastion still in the hands of amateurs. The participants of the races are diverse ranging from simple car mechanics to millionaires who arrive in the desert with their truck and a whole team. Capturing the event presents a particular challenge to photographer and equipment. Heat and dust take their toll on both. The world as a picture interests the artist the gleaming chrome surfaces of cars racing in the salt desert or the aesthetics of New York daily life. His style ranges from documentary accuracy to surreal constructed scenes. The pictures were shot with a medium format Hasselblad camera.

New York Street Photography with a Toy Camera Johannes Huwe, 2006-12-01 A portfolio of pictures taken in the New York area with a Holga toy camera. Discover some fascinating images captured through a plastic lens.

The Race of Gentlemen Johannes Huwe, 2020-01-13 In the 1940s and 50s Hot Rodders gathered along America's shores to compete in beach sprints. The Oilers CC MC Club has brought back The Race of Gentlemen on the beach of Wildwood New Jersey since 2011 reviving the legendary East Coast tradition. There are loud engine noises coming off what looks like a cast iron bathtub on wheels. It's a 1934 Ford Hot Rod heading towards the beach in Wildwood New Jersey. Meanwhile the rules of the race are being announced to the spectators and riders from a lifeguard tower. In order to participate in The Race of Gentlemen aka TROG many have come from far and wide bringing their pre 1935 American cars. These vintage cars are also restricted to replacement or add on parts from the early 1950s at the latest. Meanwhile the motorcycles all date from before 1947. The world as a picture fascinates the artist the gleaming chrome of the car lacquer car races in salt deserts or the aesthetics of the daily life in New York. Johannes Huwe's work lies between documentary style precision and surreal staging. As in his last book *World of Speed* all photos were shot with a medium format Hasselblad camera. Text in English and German.
