Trinitarian Doxology Kevin J. Navarro, 2023-01-26 Liturgical theology tends towards the anthropocentric focussing primarily on the behaviour of the worshippers The theology of Thomas F and James B Torrance however provides an alternative approach a Trinitarian and Christocentric study of liturgy which decentralises the worshippers position in liturgy and focusses instead on Christ the One who is worshipped In Trinitarian Doxology Kevin J Navarro examines the Torrances theology explicating and illuminating their work whilst simultaneously providing critical analysis which provides a lens for deeper understanding

Christ-Centered Worship Bryan Chapell, 2009-10 The bestselling author of Christ Centered Preaching provides a useful and accessible resource that traces the history of Christian worship and calls contemporary congregations to gospel faithfulness

The Message in the Music Robert Woods, Brian Walrath, 2007 The definitive guide to the meaning of today's most popular praise and worship songs Few things

influence Christians understanding of the faith more than the songs they sing in worship The explosion of praise and worship music in the last fifteen years has profoundly affected our experience of God So what are those songs telling us about who God is In what ways have they made us more faithful disciples of Jesus Christ In what ways have they failed to embody the full message of the gospel Working with the lists of the most frequently sung praise and worship songs from recent years the authors of this book offer an objective but supportive assessment of the meaning and contribution of the Christian music that has been so important in the lives of contemporary believers **Our Father, Our Teacher** Christopher J.

Reeves,2022-09-16 From the beginning God created men and women in his own image as the objects of his love His intention has been to father mankind raising us as his children While the intimacy of this relationship was broken through the fall our Father has never stopped loving us His faithful lovingkindness is unchanged And through Jesus we not only see the intimate relationship of Father and Son as the divine pattern but we find ourselves restored as children in his household Through Jesus we can experientially live in relationship with our Father and through the working of the Holy Spirit within affectionately call him our Abba The greatest opportunity is now afforded to us to walk in loving intimacy with our Father as he raises us teaches us his ways and matures within us his divine nature of other centered love Our Father Our Teacher is a biblical exploration of how God is drawing men and women to himself in an experiential relationship of love and learning

Reconstructing Pastoral Theology Andrew Purves,2004-09-20 In Pastoral Care in the Classical Tradition Andrew Purves argued that pastoral care and theology has long ignored Scripture and Christian doctrine and pastoral practice has become secularized in both method and goal the fiefdom of psychology and the social sciences He builds further on this idea here presenting a christological basis for ministry and pastoral theology **Engaging Ecclesiology** A. T. B.

McGowan,2023-01-31 The Edinburgh Dogmatics Conference EDC takes place every second year The Rutherford Centre for Reformed Theology which runs the conference has a present interest in studying the doctrine of the church ecclesiology After two years of pandemic when most churches began to take new forms or develop new ways of meeting many questions are being asked What is the church and what is it for Is it a core element of Christianity or is it an optional extra Does the doctrine of the church flow out of our understanding of God and the gospel or is it to be viewed socially and pragmatically Are the historic marks of the church still relevant to today s discussions This volume contains the papers given at the 2021 EDC Here we have eight significant theologians exploring the nature and function of the church in ways that are challenging and thought provoking Continuing the study of ecclesiology the 2023 EDC will address the subject of the Holy Spirit and the church and in 2025 the subject will be creeds confessions and the church **The Gospel in Black and White** Dennis L.

Okholm,1997-01-01 After signal victories of the civil rights movement in the sixties recent events have shown that the divide between black and white Americans remains alarmingly wide And as African and Euro Americans perhaps increasingly find themselves at odds politically and culturally Sunday morning worship dismayingly remains the most segregated hour of the

week Yet Christians of both races affirm that the gospel calls them together that they at least should be one people of one Lord one faith one baptism In that spirit the incisive and challenging essays in this book consider what rigorous theological work can contribute to the noble and ongoing quest for racial reconciliation Some of the church s most exciting black and white thinkers are gathered here by editor Dennis Okholm to address issues of theological method hermeneutics soteriology ecclesiology and social ethics always with an eye to closing the gaping wound of racism and serving God s kingdom across color lines

Missional Discipleship After Christendom Andrew R. Hardy, Dan Yarnell, 2018-03-14 It is not a changing culture reduced resources or a rescinding Christian memory that creates the greatest challenges for the church in the West It is the lack of a clear commitment to the intentional authentic and contextual expressions of missional disciple making which will shape current and future generations of followers of Jesus to express the values of the Kingdom today This book offers stimulating historical biblical and theological reflections on discipleship and considers some of the possibilities and opportunities afforded to us by our post Christian context Missional discipleship allows the missio Dei to shape us in our engagement our practices and sustain us in the lifelong journey of becoming and developing disciples that follow Jesus today

On Mission with Jesus Graham Cray, 2024-01-22 January 2024 marks the 20th anniversary of the start of the Fresh Expressions movement which spread internationally and denominationally from its origins in the Church of England Graham Cray was its first National Leader Countless new forms of church have emerged through Fresh Expressions the Church Army New Wine and various pioneer network On Mission with Jesus offers a theological understanding of the missional nature of the church which will undergird and inform local practice and assist ministerial and pioneer training Its central argument is that the Church s inherited understanding of itself imprisons the imagination of local congregations and in ten chapters Graham Cray seeks to establish a new self understanding for local congregations 1 Updating Default Settings 2 Sharing in the Mission of God 3 Making Disciples 4 Following the Spirit 5 Shaping the Church 6 Anticipating the Future 7 Joining the family Business 8 Being a Pilgrim People 9 Recognising Jesus in the Church 10 Becoming a Jesus on Mission Shaped Church

Beyond Snakes and Shamrocks Ross A. Lockhart, 2018-07-02 Somewhere in the mists of time between history and hagiography stands the great evangelist and missionary St Patrick Raised a cultural Christian Patrick s encounter with God during captivity in Ireland transformed his life and the history of a people Freedom from slavery and a return home to Britain produced the divine summons Vox Hibernia to return to Ireland and the place of captivity in order to witness to the gospel of Jesus Christ Christian witness in twenty first century Vancouver Seattle or Portland is a world away from fifth century Armagh Slane or Cashel Yet the great evangelist to pre Christian peoples of Hibernia has much to teach us as we seek to engage our secular post Christian context There is wisdom in the missional leadership of the one we call St Patrick that goes well beyond tales of snakes and shamrocks How might Patrick s mission experience with pre Christian peoples direct our contemporary missional encounter with post Christian peoples Come explore the story of the shepherd slave turned shepherd

of souls and discover that there is power still in the legacy of Patrick when yoked with the Spirit filled presence and purpose of the risen Christ

On Being Christian and Human Todd Speidell, 2002-04-17 In the tradition of Karl Barth T F and J B Torrance and Ray Anderson this collection of essays articulates a theology of ministry based on the humanity of Christ A Christian theology of ministry it insists can be nothing less than a theology for humanity

Engaging with the Holy Spirit Graham A. Cole, 2008-04-02 Despite the growth of the charismatic movement and Pentecostal churches people still have questions and even troubling concerns about the person and work of the Holy Spirit These real questions are the burden of this book which seeks to sequentially address from throughout Scripture six crucial questions that affect a person's relationship to the Spirit What is blasphemy against the Holy Spirit How does a person resist him Ought we to pray to the Spirit How do we quench the Spirit How do we grieve the Spirit and How does he fill us Each chapter is devoted to one question and challenges readers about their relationship with the Spirit and about Christian living in general Readers are also given key elements for thinking theologically and implications for their belief and behavior It's a brief reader friendly book full of solid reassuring answers

Delighting in the Trinity Tim Chester, 2010-11-01 Delighting in the Trinity looks at the wonderful and fundamental truth that our God is three in one How can there be three Gods and yet only one God Have you ever groaned inwardly at a question like this Many of us find the doctrine of the Trinity that God is three persons sharing one nature difficult to get our heads round and frankly a bit embarrassing What is more we seem to get by without thinking about it too deeply But in reality the Trinity is at the heart of all that Christians believe The nature of God as a Trinity gives shape to all Christian truth and to the gospel that we believe and proclaim And rather than be a source of embarrassment properly understood it should fill us with joy This book aims to help you see how the Trinity is fantastically good news Because the trinity means that God is not remote and uninvolved quite the opposite God sent His Son and His Spirit into our world to draw us into a wonderful relationship with Himself This is the God who gives meaning and joy to our lives And along the way we discover that the Trinity answers other big questions How can we know God What happened at the cross What does it mean to be human How can people live together with all their differences What does mission look like in a fragmented world Tim Chester will take us deeper into understanding the thrilling triune nature of God In short accessible chapters he takes us through the Bible's teaching on the Trinity gives us an overview of the important arguments over the trinity that have taken place throughout Christian history and lays out the practical implications for our Christian lives

We not Me Andy Matheson, 2014-06-01 It is well known that individualism and consumerism are so pervasive that they have become the spectacles through which we view and understand our lives including our spirituality Sadly we keep these glasses on as we read our Bibles and in the process we allow our reading to reinforce our individualism Many readers and expositors of the Bible take verses without due concern for their context In the process verses that were originally intended to be understood within a community setting are made to mean something different from what their authors intended One of the most serious

consequences is that passages which refer to our community life are made to reinforce our individualism This is not handling the Word of Truth correctly In We Not Me Andy Matheson argues that we need to embrace the perspective of the God who sees His vision is relational he sees with communal lenses Community is so core to God's nature and purposes that it undergirds everything that is implicitly inferred or explicitly stated on every page of the Bible If we can rediscover what it means to be a community the kind of community where all barriers are broken down and where our lives reflect the original vision of the gospel then we play a much more effective part in ushering in God's Kingdom [Know the Heretics](#) Justin S. Holcomb, 2014-04-29 Know the Heretics provides an accessible travel guide to the most significant heresies throughout Christian history There is a lot of talk about heresy these days The frequency and volume of accusations suggest that some Christians have lost a sense of the gravity of the word while others have little familiarity with orthodox doctrine or the historic distortions of it This book has everything you need for a full video study experience The book itself covering 12 different heresies along with reflections on contemporary relevance and discussion questions An individual access code to stream all video teaching sessions online for a deeper learning experience You don't need to buy a DVD As a part of the KNOW series this book is designed for personal study or classroom use but also for small groups and Sunday schools wanting to more deeply understand the foundations of the faith Sessions and video run times 1 Introduction Why Heresy 7 min 2 Judaizers The Old Rules Still Apply 25 min 3 Gnostics God Hides Messages for the Enlightened 18 min 4 Marcion Vengeful Yahweh versus Gentle Jesus 20 min 5 Docetists The Spiritual Is Good the Physical Is Evil 14 min 6 Mani God Must Be Freed 16 min 7 Sabellius One Actor and Three Hats 18 min 8 Arius Jesus Is a Lesser God 16 min 9 Apollinarius Christ May Be Human but His Mind Is Divine 11 min 10 Pelagius God Has Already Given Us the Tools 16 min 11 Eutyches Christ as a New Kind of Being 13 min 12 Nestorius Christ's Divinity Must Be Shielded 16 min 13 Socinus The Trinity Is Irrelevant and Jesus's Death Is Only an Example 18 min 14 Conclusion 7 min Streaming video access code included Access code subject to expiration after January 14 2030 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside **The Christ's Faith** Michael Allen, 2009-04-01 The Christ's Faith coheres with orthodox Christology and Reformation soteriology and needs to be affirmed to properly confirm the true humanity of the incarnate Son Without addressing the interpretation of the Pauline phrase *pistis christou* this study offers a theological rationale for an exegetical possibility and enriches a dogmatic account of the humanity of the Christ The coherence of the Christ's faith is shown in two ways First the objection of Thomas Aquinas is refuted by demonstrating that faith is fitting for the incarnate Son Second a theological ontology is offered which affirms divine perfection and transcendence in qualitative fashion undergirding a Chalcedonian and Reformed Christology Thus the humanity of the Christ may be construed as a fallen human nature assumed by the person of the Word and sanctified by the Holy Spirit The dogmatic location of The Christ's Faith is sketched

by suggesting its potential function within three influential theological systems Thomas Aquinas federal theology and Karl Barth Furthermore the soteriological role of the doctrine is demonstrated by showing the theological necessity of faith for valid obedience before God **Sanctifying Theology** Jacob Lett, Jonathan M. Platter, 2023-10-30 Sanctification is not merely a practical and isolated doctrine but should permeate the whole horizon of theology dogmatics ethics practices as well as the sciences and the arts The essays are collected under the twin convictions that theology can be sanctified and sanctifying The whole of theology is inflected by holiness and so theology should aim to share in God s sanctifying work Sanctifying Theology contributes new possibilities in Wesleyan holiness theology and explores their contribution to various Christian doctrines and contemporary issues Written in honor of the work of Thomas Arthur Noble the essays in this book are attentive to the streams of theology that have most influenced him the fathers the Wesleys and the Torrances Both constructive and exploratory the topic of the essays cover among other things 1 consideration of how Wesleyan holiness theologies contribute to ecumenical theological discussions 2 readings of Wesleyan holiness theology through the lens of the church fathers and the Torrances and 3 explorations of how these conversations and sources might shape contemporary practical and ethical concerns The essays work both for the Wesleyan tradition and from the Wesleyan tradition for the church catholic showing how recent trajectories in Wesleyan holiness theology might contribute to broader discussions
