The Influence of Music on the Development of the Church of God (Cleveland, Tennessee) Benson Vaughan, 2018-03-23 This book examines the influence of music on the development of the Church of God Cleveland Tennessee This narrative is historically driven but relies upon an interdisciplinary approach to draw on the insights of ecclesiology theology liturgiology church development and especially music This study utilizes a chronological and systematic approach to the relationship between music and the Church of God in the United States during the first 125 years of the denomination's history from 1886 to 2011 For over a century music has been an often neglected dialogue partner at the table of academic discussion and this research argues for recognition and a proper place in Pentecostal history Along with primary and secondary sources the important element of living archives is investigated in this work these are interviews with people who participated in historical music events in the Church of God The book also relies upon musical examples to explore the influence of music upon the shaping of the denomination's history and theology

Self-Speaking in Medieval and Early Modern English Drama R. Hillman, 1997-05-30 This book documents the changing representation of subjectivity in Medieval and Early Modern English drama by intertextually exploring discourses of self speaking including soliloquy Pre modern ideas about language are combined with recent models of subject formation especially Lacan's to theorize and analyze the stage self as a variable linguistic construct Both the approach itself and the conclusions it generates significantly diverge from the standard New Historicist Cultural Materialist narrative of subjectivity Plays range from the Corpus Christi pageants to the Beaumont and Fletcher canon with
