C. Wren,H. Martin,1995-03

High School English Grammar Composition is one of the most renowned reference guides to learn English Grammar in India This is a part of the series of books by Wren and Martin and it provides a comprehensive study of grammar First published in 1935 this grammar book is now being used extensively in numerous schools across Pakistan India and Burma This book has been divided into two sections containing 84 chapters in total The first part is about Grammar and the second part is about Composition Some chapters include Synthesis of Sentences Conjunctions Direct and Indirect Speech Comparison of Adverbs and The Noun Kinds of Nouns The content of this book has been greatly influenced by The Manual of English Grammar and Composition authored by J C Nestfield Through the course of this book the authors have dealt with the very basics of grammar such as forming sentences identifying subject and predicate verbs using adjectives as nouns relative pronouns and much more The readers are also provided with insights into writing an essay autobiographies letters and stories High School English Grammar Composition contains numerous exercises on grammar and composition that will help the readers test themselves from every angle **New Horizons in Prescriptivism Research** Nuria Yáñez-Bouza,María E. Rodríguez-Gil,Javier Pérez-Guerra,2024-04-16 This book investigates the connections between evaluative judgements on language and the larger social cultural and political issues that shed light on the practice of prescriptivism The chapters cover three main areas language which represents the traditional roots of the study of linguistic norms in authoritative historical manuals and judgemental attitudes to language usage literary and scripted texts which illustrates the enregisterment of the values of linguistic prescriptivism as a social and cultural phenomenon and speech communities which reflects the growth in scope of the field to consider geographical contexts beyond mainstream British and American English to include varieties of English and other languages worldwide The book also discusses recent theoretical and methodological advances in the study of prescriptivism **The Politics of English Language Education and Social Inequality** Maya Kalyanpur,Padmini Bhuyan Boruah,Sarina Chugani Molina,Sunaina Shenoy,2022-12-30 Based on policy analysis and empirical data this book examines the problematic consequences of colonial legacies of language policies and English language education in the multilingual contexts of the Global South Using a postcolonial lens the volume explores the raciolinguistics of language hierarchies that results in students from low income backgrounds losing their mother tongues without acquiring academic fluency in English Using findings from five major research projects the book analyzes the specific context of India where ambiguous language policies have led to uneasy tensions between the colonial language of English national and state languages and students linguistic diversity is mistaken for cognitive deficits when English is the medium of

instruction in schools The authors situate their own professional and personal experiences in their efforts at dismantling postcolonial structures through reflective practice as teacher educators and present solutions of decolonial resistance to linguistic hierarchies that include critical pedagogical alternatives to bilingual education and opportunities for increased teacher agency Ultimately this timely volume will appeal to researchers scholars academics and students in the fields of international and comparative education English and literacy studies and language arts more broadly Those interested in English language learning in low income countries specifically will also find this book to be of benefit to their research
