Instructor's manual to accompany Understanding politics Thomas M. Magstadt,1988 **Terrorism and Violent Conflict** Lori Poloni-Staudinger,Candice D. Ortals,2014-07-08 This book explores how gender intersects with political violence and particularly terrorism We ask how gender relations and understandings of femininity and masculinity influence political violence which includes politics related to terrorism state terrorism and genocide We investigate how women cope with and influence the politics of terrorism and genocide The book s goals are descriptive and analytical We 1 describe in what ways women are present and or perceived as absent in political contexts involving violence and 2 analyze what gender assumptions identities and frames women face and themselves express and act upon regarding political violence encountered in their lives The manuscript is divided into seven chapters introduction women as victims survivors of violence women as perpetrators of violence women in social movements responding to violence women politicians leading policy regarding violence the public opinion of women and men concerning violence and a conclusion Each chapter explores the intersection between gender and terrorism through the lens of the chapter focus *A History of Women in Politics in Ghana 1957-1992* Eric Sakyi Nketiah,2010-11-09 This work examines the history of Ghanaian women s involvement in the politics of the country prior to the launch of the Fourth Republic in January 1993 The political history of Ghana prior to 1993 showcases experience with various political systems Ghana for example had the experience of life under Prime Ministers Presidents and Military Heads of State Within all these experimental and sometimes even purely adventurous environments women played various roles The roles however differed from one regime to another This work has tried to briefly tell the political history of Ghana but highlighted the role of women in the life of this young West African country **The Political Logic of the US-China Trade War** Shiping Hua,2022-03-18 This is the first comprehensive study by the world s leading scholars about the political logic of the U S China trade war that started during the Trump administration The book is divided into three parts The first part looks at changed leadership styles of the two countries in the last few years It also examines the liberal international order since World War II in which the trade war emerged It then explores the theoretical perspectives from both the United States and China that are related to the trade war The second part is about the domestic factors that

impacted on the trade war from China's perspective. These factors include China's institutional adaptation of the new international environment, the radicalization of the Chinese political discourse, and Big Power Diplomacy. The third part explores the U.S. domestic factors that impacted the trade war, such as the Trump administration's different China policy, in general, the role played by the U.S. Congress, business lobby, and the transition of foreign policy from a Wilsonian World Order to Jacksonian Nationalism.
