Understanding Sexual Identity A Resource For Youth Ministry:

Understanding Sexual Identity Mark A. Yarhouse, 2013-10-22 Today's youth struggle with difficult questions of sexual identity. How can a youth worker offer wise care and counsel on such a controversial and confusing subject? Mark Yarhouse, Director of the Institute for the Study of Sexual Identity, writes to equip youth ministers so they can faithfully navigate the topic of sexual identity in a way that is honest, compassionate, and accessible. Reframing the focus away from the culture wars, Yarhouse introduces readers to the conversation beginning with the developmental considerations in the formation of sexual identity, all of which occurs in the teen years. He offers practical and helpful ways to think about people who experience same-sex attraction. Sections of the book are also dedicated to helping parents respond to their children and teens who struggle with questions of sexual identity, as well as how youth ministry can become more relevant in the lives of youth who are navigating these issues.

Sanctified Sexuality Sandra Glahn, 2020-09-22 Expert biblical and practical advice for handling today's most challenging sexual issues. Although modern culture constantly changes its views on sexuality, God's design for sexuality remains the same. Bringing together twenty-five expert contributors in relevant fields of study, Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today. From a scriptural perspective and with an irenic tone, the contributors address issues such as: The theology of the human body, Male and female in the Genesis creation accounts, Abortion, Celibacy, Sexuality in marriage, Contraception, Infertility, Cohabitation, Divorce and remarriage, Same-sex attraction, Gender dysphoria. An ideal handbook for pastors, counselors, instructors, and students. Sanctified Sexuality provides solid answers and prudent advice for the many questions Christians encounter on a daily basis.

Grounded in Grace Jonathan Holmes, 2024-09-09 Jonathan Holmes explores the challenges children face in forming their identity and offers guidance for parents in helping their children build their identity in Christ.

Costly Obedience Mark A. Yarhouse, 2019-06-25 Though we often hear about the gay problem today, there is an even deeper problem in the church today, one that we often overlook. The call to follow Christ is a call to costly obedience for all, not just for gay Christians. Far too often, the church has elevated homosexuality above other sins and required a costly obedience from gays that it is unwilling to demand of others. And yet the answer is not to weaken the demands of obedience. Instead, gay Christians who make the difficult choice to align their lives with the biblical view of sexuality are a gift to the church, reminding all of us that spiritual growth and maturity is costly. There is a price to pay in following Christ and devoting our lives to the call of the gospel, and it is one that we all must pay, gay and straight Christians alike. Through the stories and struggles of gay Christians who are reorienting their lives around the costly obedience required to follow Christ, Mark Yarhouse and Olya Zaporozhets call the church to reorient as well, leaving behind the casual morality that is widespread today to pursue the path of radical discipleship. Unlike any other book on homosexuality and the church, this is a call to examine your life and consider what God is asking you to lay down to take up your cross and follow him.

Sexual Identity and Faith Mark A. Yarhouse, 2019-02-20

Christians who struggle with a conflict between their sexual and religious identities have few therapeutic options available to them Sexual orientation change efforts SOCE have rightly fallen out of favor and are no longer practiced by most clinicians At the same time the common approach of gay affirmative therapy GAT can at times present challenges and may not be a good fit when clients hold to conventional religious beliefs and values An alternative to these methods is Sexual Identity Therapy SIT an approach that aims to provide individuals with a safe therapeutic space to explore the tension between their sexuality and their faith Working within the SIT framework clients are able to resolve their inner conflict to their personal satisfaction and to freely choose a coherent identity that enables them to move forward in life SIT has several stages each designed to enable the client to make meaning out of his or her same sex sexuality At no point in the process is the client encouraged to choose one sexual identity over another The ultimate goal of SIT is congruence Congruence is achieved when a person freely adopts an identity and lives it out in ways that are in keeping with his or her beliefs and values The SIT model is brought to life throughout the book with the help of case studies drawn from the author s 20 years of experience Written for both Christian and non religious clinicians Sexual Identity and Faith is an informed respectful and nuanced guide to help people navigate the difficult conflict between who they are sexually and what they believe religiously

A Defense of Youth Ministry Ron Belsterling, 2019-04-04 Youth ministry succeeds because it directly reflects Jesus Christ s approach It s not overvalued today it s undervalued The hard work required for its success has been misunderstood and misrepresented The first part of the book establishes that case and analyzes the pros and cons of current varying philosophies and approaches merging their best aspects into the holistic approach demonstrated by Christ Part 2 introduces Attachment Relationship Ministry ARM a lens distinguishing four primary adolescent relational styles depending on how secure or insecure teens are with God and parents Part 3 encourages strategic relational ministry sensitive to those styles explaining why youth leader efforts succeed or fail Chapters offer realistic discipleship and evangelism suggestions depending on attachment styles and practically empowering youth workers volunteers newbies experts and interns to focus energy and time more wisely These recommendations relate to spiritual formation leadership selection parental approach and trending issues such as ministry to LGBTQIA teens For too many teens today feeling insecure in crisis is a way of life Learn how to take what you ve done well and make it better All church leaders should read this book logging the critical importance of providing ministry specifically targeting teenagers today
