Edwards has argued that teaching should be considered a field that is separate from both the field of education and from the
content area fields Teaching is a field which synthesizes content and method for classroom application All of the other major
intellectual fields have a canon of works which practitioners can learn from and add to but teaching does not The Connecting
the Dots in World History A Teacher s Literacy Based Curriculum series changes this by showing how effective a teacher
generated curriculum can be These books can inspire other teachers to create their own curricula and inspire a change in the
way that the public views teachers and teaching **Directory of Distance Learning Opportunities** Modoc Press,
