Alexandra Szabo,2022-11-30 You might be wondering why this child is writing the story of her life down There s nothing interesting in a little farm girl s life story or her view on how messed up the world is You may be right I m not a big wise person However I felt like I had a lot of things I needed to get off my chest and also when I was younger I kind of wished I knew of someone similar to my age now who was ready to speak about certain things with a freshly turned adult s mind I do believe that sometimes young adults need young adults to share their perspectives because we speak a similar if not the same language See the world through my eyes Narges Eftekhari,2023-06-25 Step into the labyrinth of verses where words wield enchantment and tales whisper secrets untold This book a tapestry of emotions woven with ink and imagination invites you on an extraordinary journey Explore the realms of love and loss wander through dreams and awakenings and dance with the shadows of forgotten legends Delve into the depths of the human spirit where joy collides with sorrow and hope ignites the darkest corners With each turn of the page anticipation blooms leaving you yearning for the next verse the next revelation Unveil the mysteries that lie within these lines for in this poetic tapestry a world of wonder awaits Are you ready to embark on this poetic odyssey and let your heart be forever changed *The World Through My Eyes* Colletta
