World War II Almanac Almanacs Of American Wars:

World War II Almanac Keith D. Dickson, 2008 Offers a comprehensive overview of World War II with alphabetically arranged entries highlighting the leading military and political figures events weaponry and battles that defined the conflict and a detailed day by day chronology of the war

The Secret War for the Middle East Youssef Aboul-Enein, 2013-10-15 It can be argued that the Middle East during the World War II has been regarded as that conflict's most overlooked theater of operations Though the threat of direct Axis invasion never materialized beyond the Egyptian Western Desert with Rommel's Afrika Korps this did not limit the Axis from probing the Middle East and cultivating potential collaborators and sympathizers These actions left an indelible mark in the socio political evolution of the modern states of the Middle East This book explores the infusion of the political language of anti-Semitism nationalism fascism and Marxism that were among the ideological byproducts of Axis and Allied intervention in the Arab world The status of British dominated Middle East was tailor made for exploitation by Axis intelligence and propaganda German and Italian intelligence efforts fueled anti British resentments their influence shaped the course of Arab nationalist sentiments throughout the Middle East A relevant parallel to the pan Arab cause was Hitler's attempt to bring ethnic Germans into the fold of a greater German state In theory as the Sudeten German stood on par with the Carpathian German so too according to doctrinal theory did the Yemeni stand in union with the Syrian in the imagination of those espousing pan Arabism As historic evidence demonstrates this very commonality proved to be a major factor in the development of relations between Arab and Fascist leaders The Arab nationalist movement amounted to nothing more than a shapeless fragmented counter position to British imperialism imported to the Arab East via Berlin for Nazi aspirations

Korean War Almanac Paul M. Edwards, 2006 Presents a comprehensive reference to American involvement in the Korean War including a chronology of major events biographical sketches related articles and a collection of maps

Revolutionary War Almanac John C. Fredriksen, 2006 Offering a day by day chronology of the people and events important to the American Revolution this title provides a look at this historic time It covers people battles and other details and includes more than 130 maps photographs and illustrations pair with an index a bibliography cross references and a chronology

Professional Journal of the United States Army, 1992

US-China Strategic Competition Muhammad Ali Baig, 2025-02-18 The book maps the strategic competition between the U S and China its history and the contemporary outlook of their armed forces It analyses the wars fought by each of these forces their military operations operations other than war and draws up a comparative analysis between the military doctrines of both nations The author examines the implications of American and Chinese military doctrine and the varying degrees of cooperation competition and potential conflict in the Western Pacific Finally the book argues for possibilities of cooperation between the two superpowers and suggests ways of minimising potential future conflict The volume will be of great interest to scholars and researchers of international relations military and strategic studies and Asian studies

Military Review, 1995
