The Bomber Boys Travis L. Ayres, 2009-10-06 True tales of heroism and

the men who fought and died in the skies of World War II Europe In World War II there were all too many ways for a fighting man to die But no theater of operations offered more fatal choices than the skies above Nazi occupied Europe Inside of a B 17 Bomber thousands of feet above the earth death was always a moment away From the hellish storms of enemy flak and relentless strafing of Luftwaffe fighters to mid air collisions mechanical failure and simple bad luck it s a wonder any man would volunteer for such dangerous duty But some very brave men did Some paid the ultimate price Some made it home But in the end all would achieve victory Here author Travis L Ayres has gathered a collection of previously untold personal accounts of combat and camaraderie aboard the B 17 Bombers that flew countless sorties against the enemy as related by the men who lived and fought in the air and survived They are stories of heroism sacrifice miraculous survival and merciless warfare But they should all be remembered INCLUDES PHOTOS "Your Loving Son" George McCowan King, University of Regina. Canadian Plains Research Center, 2002 This book is a compilation of various sources that form a coherent narrative that leads up to documents and explores the repercussions of the death of George McCowan King a navigator in the Royal Canadian Air Force who was shot down over Germany on September 22 1943 Focussing on the period from late 1942 to the end of the war but extending even into the 1990s the voices that combine to tell the story of the navigator s life and death include his letters the letters of other family members correspondence with families of other servicemen friends diary logbook entries and official government missives concerning the circumstances of the death and the naming of King Creek in northern Saskatchewan

Commager, Donald L. Miller, 2010-05-11 Drawing on previously unpublished eyewitness accounts prizewinning historian Donald L Miller has written what critics are calling one of the most powerful accounts of warfare ever published Here are the horror and heroism of World War II in the words of the men who fought it the journalists who covered it and the civilians who were caught in its fury Miller gives us an up close deeply personal view of a war that was more savagely fought and whose outcome was in greater doubt than readers might imagine This is the war that Americans at the home front would have read about had they had access to the previously censored testimony of the soldiers on which Miller builds his gripping narrative Miller covers the entire war on land at sea and in the air and provides new coverage of the brutal island fighting in the Pacific the bomber war over Europe the liberation of the death camps and the contributions of African Americans and other minorities He concludes with a suspenseful never before told story of the atomic bombing of Nagasaki based on interviews with the men who flew the mission that ended the war
