World War Moo An Apocalypse Cow Novel:

World War Moo Michael Logan, 2015-06-09 It began with a cow that just wouldn't die. Yep, that's right. They're still un-dead and now the disease has spread to humans. The epidemic that transformed Britain's bovine population into a blood-thirsty brain-grazing zombie horde, err, zombie herd, is threatening to take over the globe in Michael Logan's *World War Moo*. And there's not much time left to stop it. All of Great Britain is infected and hungry. The rest of the world has a tough choice to make. Should they nuke the Brits right off the map, men, women, children, cows, and all, in the biggest genocide in history? Or should they risk global infection in a race against time to find a cure? With hungry zombies attempting to cross borders by plain, trains, boats, and any other form of transport available, it's only a matter of time before the virus gets out. And if it does, there's only one answer: This means war.

World War Moo Michael Logan, 2015-06-09 The zombie cows plaguing Britain have spread the virus to humans in this sequel to the Pratchett Award-winning *Apocalypse Cow*. The ragtag team who so bravely risked all to save the world from zombie cows to put it bluntly failed. The epidemic that transformed Britain's bovine population into a blood-thirsty brain-grazing zombie horde, err, zombie herd, is now threatening to take over the globe. And there's not much time left to stop it. With all of Great Britain infected and hungry, the rest of the world has a tough choice to make. And if it does, there's only one answer: This means war.

Hell's Detective Michael Logan, 2017-06-13 Kat Murphy is a private detective tortured by demons. Real ones. She is serving a death sentence in Lost Angeles, the dark and depraved city in Hell where a beast known as a Torment forces her to relive night after night the moment she killed her lover and put a bullet in her own skull. Kat longs to make amends for her sins. So when the city's Chief Administrator hires her to retrieve a stolen box with a mysterious power offering to call off her Torment in return, she gets the chance to do just that. But if Kat has learned one thing, it's that every case has a wrinkle. As she trawls drug dens, casinos, and fighting pits in search of the thief, she discovers that both box and city contain secrets darker than she could ever have imagined. And with time running out, Kat must choose between her own desire for peace and the fate of the world above. In *Hell's Detective*, the electrifying new mystery from award-winning author Michael Logan.

Witchblade #138 Ron Marz, 2010-09-22 The *Witchblade* has borne many wielders in many eras, perhaps even in other realms. Ron Marz and Stjepan Sejic tell a fantasy tale of epic proportions as only they can. But how does all this connect to Sara Pezzini?
