Unfashionable Tullian Tchividjian, 2009-04-14 Tchividjian examines what Gospel infused priorities would look like in relationships community work finances and culture He presents a clear picture of what it means to live subversively and redemptively for God *Willing to Be Forgotten* Thomas Harley, 2013-04 Do you live life that others may make much of you or that they might make much of another Do you point endlessly to you or do you in every way point to Jesus Christ John the Baptist understood that he must diminish as Jesus came onto the scene simply for this reason it was all about him it was all about Jesus Just as a friend of the bridegroom wouldn't become jealous or enraged when the bridegroom's time had come and all attention was now paid to the bridegroom instead so John understood that he must not become jealous of the ministry of the Christ Imagine if a friend of a bridegroom at a wedding would in the middle of the ceremony stand up and make a scene to draw attention because no one was looking at him How could they all be looking at the bridegroom on this day and not at him His would be a misplaced estimation of who the day is all about God created everything for himself yet we live our lives much like we are no friend of the bridegroom as if we are no lovers of the living God We strive endlessly over possessions and we don't possess him nor do we care to We care more that we have been dishonored than that we have dishonored him and horrifically so We care more that others might recognize our gifts and talents than we are concerned that we use them for the purposes for which he gave them to us We live lives out of fear rather than out of confidence in him and in this we betray the name Again we look only inward We still live and talk as though it is all about us We still have desires that are all about us The flesh is not yet sanctified and is not fully given over to him This is a herald's call to become less so that he might become more in us through us and in the world This is a call for many to become true friends of the bridegroom This is a call to become willing to be forgotten so that he might be remembered forever This is a call to find my joy completed only when and once it is completed in him **Undeified** Harry Schaumburg, 2009-09-01 Amid the chaos of cybersex impersonal sex adultery homosexuality and sexual dissatisfaction in marriage Undeified calls readers toward a new

kind of spiritual and sexual revolution Sexual impurity creates a vicious circle one that springs from misconceptions about Christ and further taints our understanding of Him Yet another circle is available to men and women trapped in sexual sin a circle of sexual redemption When practiced as God intends spirituality and sexuality both draw us closer to Christ Spiritual maturity and sexual maturity go hand in hand and together they hold out the promise of redemption and restoration needed by everyone who has been damaged by sexual sin There is hope Real change is possible true intimacy is available To the person who has failed time and time again sexually God s message is simple You too can be undefiled

Bowman, 2016-04-07 God looks at the heart but man does look at the outward appearance and what we do with that appearance can be used for Gods glory Too often Christians discuss beauty as if inward beauty and outward beauty cannot co exist or as if focusing on one displaces the other Whether you are single or married this book will challenge you to take your outward beauty and to be a good steward of it for the purpose of pointing to a Divine Creator and His Excellence bringing glory to Jesus Christ and serving your brothers and sisters in Christ *Christian Contours* Douglas S. Huffman, 2012-01-12 What does it mean to think and live Christianly in a world of competing worldviews Christian Contours answers this question by inviting readers to consider the understanding of reality proposed by the Bible Though it is easy to divide life into separate compartments religious and secular theological and practical faith invites us to view all of life in the light of that Biblical understanding Presenting a clear compelling case for unity in essential Christian tenets the authors of Christian Contours guide the reader through developing internalizing and articulating a biblical worldview This robust worldview enables the Christian to be a critically thinking participant in culture and to be a faithful disciple of Christ with both heart and mind *The Giving Crisis* Andrew McNair, 2023-04-04 The contemporary church faces a financial crisis of epic proportions The reason is simple While wealthier than any generation in history many believers do not consider tithing or generosity to be part of their Christian lifestyle Join
