Wrestling with God Greg Laurie,2010-12-22 Using personal experience and biblical examples well known pastor Greg Laurie illustrates how prayer works in different people s lives In spiritual terms Jacob wrestled with God for years The Syro Phoenician Woman also wrestled with Jesus but briefly her argument arising from a wholly different situation Yet God brought them both to roughly the same kind of relationship with Himself He softened Jacob s will and rewarded his submission He honored the woman s determination and rewarded her resolve Through these examples readers will discover how heartfelt prayer and willing submission can bring them into their own unique rewarding relationships with God

Wrestling With God Steve R. Bierly,2017-06-19 Have you ever tussled with God If you are a Christian you have or you will because wrestling is a way God interacts with his children God spars with us and invites us to spar with him When you pray long and hard over a certain request or you question God because of the way he answered your prayer or doubt your faith or struggle through a time of spiritual dryness or puzzle over the discrepancies between what you ve heard at church and how life really is then you re wrestling with God Hopefully like Jacob who wrestled with God and was blessed through the experience you will be too This book guides you through the rules moves and rewards of this spiritual contact sport Learn how to hold onto God through troubling circumstances and difficult questions Discover how to find answers to your prayers and questions and what to do when God simply pins you to the mat totally flooring you by his power and mysterious grace Includes a Leader s Guide and discussion questions for small groups , **Job** Paul Stevens,2003-01-29 This twelve session LifeGuide Bible Study Paul Stevens helps you dig for the answers to the question Why do faithful people suffer

find purpose and the divine grace that meets us in our brokenness Perfect for readers who seek inspiration in the face of life's challenges and a deeper understanding of faith and resilience *Dear God, We Need to Talk* Darren Schalk,2014-03-04 Why is there suffering What does God really think of me And why does He make me work so hard We all have questions about God He does some things we don't understand He does things we don't like He sometimes even does things that quite honestly annoy us Why does He do what He does Doesn't He know that we need answers If we could just figure Him out life as well as faith would be so much easier But life and faith aren't easy are they Evil invades our world Bad things happen all around us People die every day for the mere lack of food and water And in the midst of it all we're asked by God to believe in an absolutely unbelievable story *Dear God We Need to Talk* helps you explore your toughest questions about God Tackling everything from family issues to God's sovereignty Darren Schalk considers what he's been taught applies it to everyday events you can relate to and then filters it all through a modern but biblical worldview in a delightfully witty and honest way Leaving you in the end with more confidence in God's power His wisdom and His direction for your life **Wrestling with God** Raymond George Siemens,P. Katz,Shlomo Biderman,Gershon Greenberg,2007-01-04 Publisher description **Jacob wrestling with God and prevailing; or, a Treatise concerning the Necessity and Efficacy of Faith in Prayer. [With a recommendatory letter by A. Palmer.]** Thomas TAYLOR (Pastor to a small Congregational Church in Cambridge.),1698 *Wrestling With God* Lydia B. Miller,2025-03-24 *WRESTLING WITH GOD* highlights the author's view of the pandemic years and the political and cultural upheaval that reared its ugly head simultaneously under the disastrous Biden administration The author recounts historical events chronologically through relatable stories and poetry to remind the reader what it was like to wake up and discover that the world they had grown up in was gone The rug was unceremoniously pulled out from beneath America and its citizens were left standing on a foundation of shifting sand looking upon an unfamiliar landscape and wondering what had happened and what to do next It was a time of fear disbelief chaos and confusion While desperate for answers it became apparent all too soon that our leaders had forsaken us and that we were alone to navigate the new world order being ushered in on our own Many conservative Christians wondered where God was and why he didn't do something to stop the insanity Our safety livelihood family values and sovereignty as a nation were being threatened and we were in danger of losing the freedoms our forefathers fought and died for We were left wrestling with unwanted feelings of fear anger anguish hate contempt and distrust of our government with each threatening to become strongholds in our hearts and minds which were in direct conflict with the teachings of our faith We prayed to God to save us and each day waited for an answer that didn't come For some his silence was an indication that the end times were upon us

While our innocence was painfully lost 4 years ago our eyes are wide open now It is only by remembering the mistakes of the past that we can ever hope to prevent such needless pain and suffering from reoccurring in the future Wrestling with God Stuart Anthony,2025-08 Wrestling With God is a devotional exploration of the first five books of the Bible written for those who long to ask the hard questions without abandoning their faith Through personal reflection historical insight and theological wrestling this book seeks to illuminate both the divine patterns and the human tensions embedded in Scripture s foundation Wrestling with God Darin Jones,2014-10-24 How can a loving God send people to Hell Does God hate the rich Do we choose God or does He choose us How can God judge us and tell us not to judge others If we were made in God s image how come everything is so messed up Why doesn t God just show Himself once and for all Opposing truths that s a dichotomy The Bible seems to be full of them Or is there something more going on than just what they appear to say In order to find out you might have to wrestle Have you ever wrestled with God Has someone ever challenged you with one of the seemingly contradictory passages in Scripture Do you ever wonder if there is a purpose in the struggle Darin brings a fresh and thoughtful approach to the big questions that we have all asked Ray Lail Senior Pastor the People Church www.thepeoplechurch.com **Wrestling with God** Stanley A. Fry,2012-11-29 Family man Jason Corliss is a small town banker who is making every attempt to stay sane despite his rat race through life Seemingly self assured Jason is good at putting up a front Deep inside he knows he is unhappy but he has no idea how to make it better But when a traumatic personal experience forces him to question his rather unenthusiastic views about God and his church Jason embarks on an unorthodox prayer journey in an attempt to uncover meaning in his life With guidance from his pastor Jason begins praying every night While seated in a leather chair in his den Jason closes his eyes opens his heart and pours out his questions fears and hopes to a spiritual being he is not even sure is there As God gently places new thoughts ideas and understandings in his mind Jason asks God to help give him a new start to fill the emptiness in his soul and to help him find the purpose of his life In this compelling spiritual story a man desperate to confront the issues in his life turns to faithful prayer for the answers ultimately remaking not only his life but the lives of those who love him *Wrestling with God* Kilian McDonnell,2017-07-14 Then the man said You shall no longer be called Jacob but Israel for you have striven with God and with humans and have prevailed Gen 32 28 The Bible is full of persons who wrestle with God As they stumble in their lives they love and adore their Lord They also scheme lie cheat steal quarrel and fornicate Abraham the faith model for Jews Christians and Muslims tells Sarah to lie Sarah scolds God for ignoring her Amnon rapes his sister Judas recognizes Jesus unconditional love for him Mary thinks that by distancing himself from her Jesus hammered a spike into her breast Peter s wife crawls into their bed and snuggles up Jesus relatives think he is crazy In a word as seekers of God the biblical characters mirror our lives Like Jacob we limp away from the wrestling match Kilian McDonnell OSB is a monk theologian of Saint John s Abbey Collegeville Minnesota He is the author of three other books of poetry *Swift Lord You Are Not Yahweh s Other Shoe* and *God Drops and Loses Things* Saint

John s University Press Wrestling with God Richard Marius, 2006 Historian novelist and masterful teacher Richard Marius struggled with religious belief throughout his life His very devout mother taught him to memorize the Bible from a very early age and influenced him to make a commitment to enter the ministry when he was a senior in high school However during his first year at the University of Tennessee his faith was shaken by a reading assignment in freshman English an essay in which the author argues that the universe is purposeless and meaningless After receiving a Bachelor of Divinity degree from Southern Baptist Seminary in Louisville Kentucky Marius attended graduate school at Yale University to study Renaissance and Reformation history receiving a PhD in history with a dissertation on Sir Thomas More During his years as a student he occasionally held the position of supply pastor but after graduation from Yale he decided to enter the academic world as a history professor And he continued to preach when the opportunity arose *Wrestling with God* is a collection of twenty three sermons or meditations delivered in a variety of settings and spanning Richard Marius s adult life from the late 1950s until a few months before his death Many of them were delivered at Morning Prayers a daily service in the Appleton Chapel of the Memorial Church at Harvard University In these selections he explores the questions of faith and doubt belief and unbelief good and evil His explications are informed by an eclectic knowledge of the Bible art and architecture music literature history philosophy and theology politics and current events travel and languages A skeptical humanist Marius nevertheless was infused with his own kind of religious feeling and his struggle to find meaning and purpose in his life will resonate with all readers who struggle with the ultimate questions of existence *I Don't Want To, God* Rev. Dr. Charlie B. Mayson, 2011-08-29 At times we find ourselves in situations that we think are unjust unspeakable or just not right We may shake out fists at God and then feel guilty I DON'T WANT TO GOD is the opportunity to see that wrestling with God is normal Dr Charlie Mayson looks at the lives of Isaac Abraham Sarah and the other heroes of the faith named in the Pauls letter to the Hebrews He shows us that wrestling with God was not only for these bible heroes but is normal for us as we struggle to do Gods will
