Tokens of Trust Rowan Williams, 2010-09-01 What does it mean to believe in God Can God possibly be almighty in the midst of so much evil and disaster How am I to understand the meaning of Jesus Christ's ministry and resurrection To what purpose is the church called And what does it really mean to follow Christ in today's broken world Tying together the answers to all of these questions and addressing perplexities such as the possibility of miracles and how to read the Bible Rowan Williams demonstrates that each of the basic tenets of Christian faith flows from one fundamental belief that God is completely worthy of our trust With vast knowledge of Christian history and theology and characteristically elegant prose Rowan Williams is a superb and compassionate guide through the richness and depth of Christian faith **Christian**

Practical Wisdom Dorothy C. Bass, Kathleen A. Cahalan, Bonnie J. Miller-McLemore, James R. Nieman, Christian B. Scharen, 2016-05-05 In this richly collaborative work five distinguished scholars examine the oft neglected embodied practical wisdom that is essential for true theological understanding and faithful Christian living After first showing what Christian practical wisdom is and does in several real life situations the authors tell why such practical wisdom matters and how it operates exploring reasons behind its decline in both the academy and the church and setting forth constructive cases for its renewal **EXPLAINING TRUST.** TOM MARSHALL., Each book in the Explaining Series examines an important

Ken Erisman, 2013-07-15 The greatest challenge for the twenty first century church is the lack of catechesis training in biblical and doctrinal knowledge As J I Packer states where wise catechesis has flourished the church has flourished and where it has been neglected the church has floundered It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it *Grounded in the Faith* takes up that challenge with twenty four low prep in depth sessions that will ground believers in the basics of their faith This new innovative guide is a transformational disciple making tool that leaders can immediately use to activate discipleship in the church It presents individuals small groups and Sunday school classes with a cohesive understanding of historic sound biblical theology that serves as a catalyst for deeper intimacy with Christ It is a user friendly guide to growth in the Christian faith that covers important topics such as justification overcoming temptation sanctification evidence for the inspiration of the Bible the value of prayer the guidance of God the Trinity the uniqueness of Christ and the attributes of God *Trust and*
