Jones Claudia Setzer Aud V T nnessen Adriana Valerio and Royce M Victor **Here Is Where** Andrew Carroll,2013-05-14

Here Is Where chronicles Andrew Carroll s eye opening and at times hilarious journey across America to find and explore unmarked historic sites where extraordinary moments occurred and remarkable individuals once lived Sparking the idea for this book was Carroll s visit to the spot where Abraham Lincoln s son was saved by the brother of Lincoln s assassin Carroll wondered How many other unmarked places are there where intriguing events have unfolded and that we walk past every day not realizing their significance To answer that question Carroll ultimately trekked to every region of the country by car train plane helicopter bus bike and kayak and on foot Among the things he learned Where in North America the oldest sample of human DNA was discovered Where America s deadliest maritime disaster took place a calamity worse than the fate of the Titanic Which virtually unknown American scientist saved hundreds of millions of lives Which famous Prohibition agent was the brother of a notorious gangster How a 14 year old farm boy s brainstorm led to the creation of television Featured prominently in Here Is Where are an abundance of firsts from the first use of modern anesthesia to the first cremation to the first murder conviction based on forensic evidence outrages from riots to massacres to forced sterilizations and breakthroughs from the invention inside a prison of a revolutionary weapon to the recovery deep in the Alaskan tundra of a super virus to the building of the rocket that made possible space travel Here Is Where is thoroughly entertaining but it s also a profound reminder that the places we pass by often harbor amazing secrets and that there are countless other astonishing stories still out there waiting to be found Look for Andrew s new book My Fellow Soldiers **Game Faces** Thomas H. Pauly,2012-04-01 This compelling blend of biography and cultural history depicts five important yet nearly forgotten athletes from the late nineteenth and early twentieth centuries who had a transformative effect on their sports and on the evolution of sports in general Tom Stevens was the first man to ride a bicycle a high wheeler around the world 1884 87 Fanny Bullock Workman completed seven expeditions into the Himalayas between 1898 and 1912 Bill Reid a Harvard football coach and one of the game s first professionals played a key role in saving the sport from a national movement to abolish it in 1905 May Sutton became the National Champion of women s tennis at the age of sixteen and was the first American woman to triumph at Wimbledon 1905 Barney Oldfield was an early champion of motor car racing 1902 whose aggressive pursuit of crowd appeal and outlaw style rankled his competitors but won him many races Although they participated in different sports these five athletes were central to the evolution of sports from casual leisure recreations into serious commercialized competitions and recognizable approximations of our sports today Game Faces tracks the powerful influence of money rules and mediating organizations on this transformation and examines pitched battles between these champions and their archrivals The outcomes determined not only the winners but also the future of their sports **Annie Montague Alexander** Louise Chipley Slavicek,2013-10 The daughter of a wealthy planter Alexander used her inheritance to fund research for her passion
