Women On The Ball A Guide To Womens Soccer:

Women on the Ball Sue Lopez,1997 Women s football is the fastest growing international sport for women and Women on the Ball is the first book to give a comprehensive account of the women s game It details the pioneering players and clubs and includes many interviews **Women on the Ball** Sue Lopez,1996-09-01 **Spalding's Official Foot Ball Guide** National Collegiate Athletic Association,1913 Early volumes consisted of rules with a separate publication for text Later volumes consist of text and rules *Girls Play to Win Soccer* Jeff Kassouf,2011-07-01 Sit back and enjoy it s the beautiful game Soccer is the world s most popular sport and women are taking center stage After years on the sidelines women burst onto the scene in the 1970s and 1980s Stars such as Mia Hamm brought the game to the masses in the 90s Now it s your turn Grab a ball and get on a field After all the whole world is doing it The history the rules and the heroines these nonfiction accounts of women s sports relate the interesting insights of each sport including the rules game play and standout athletes Girls looking for role models as well as the hows and whys of their favorite game will find the answers in these fresh accessible titles Part history part biography and part instruction Girls Play to Win allows readers to access everything they want to know about the game More than an introduction this series takes what is likely an existing interest and allows the reader to delve deeper Content consultants are real world experts that include Olympic athletes and coaches Library Media Connection s Editor s Choice *Soccer, Women, Sexual Liberation* Fan Hong,J.A. Mangan,2004-11-23 This is the first in depth global study of women s football across the world This collection considers women s football in fifteen countries worldwide in a global context and analyzes its progress challenges and problems it has faced It shows how women s football has made a significant contribution to the emancipation of women s football in many countries It also traces the evolution of women s football in face of resistance rejection and prejudice and describes women footballer s struggle for equal rights in a male dominated football world **Women's Football in the UK** Jayne Caudwell,2013-10-18 This book examines the complex ways in which girls and women experience football cultures in Britain It extends current debate surrounding women and football namely how gender has functioned to shape women s experiences of playing the game by focusing on organisational administrative and coaching practices alongside the particular issues surrounding sexuality ethnicity and disability not only gender The book analyses football and gender to reveal the subtle forms of discrimination that persist It is important to highlight the many challenges and transformations made by girls and women but more importantly to consider the ways power continues to operate to devalue and undermine girls and women involved in the game The UK based authors make use of their recent research findings to offer critical debate on girls and women s current experiences of British football cultures Overall the book reveals the present day complexities of marginalisation and exclusion This book was published as a special issue of Sport and Society **Spalding's Official Pacific Coast Interscholastic Foot Ball Guide** ... ,1927 Includes advertising matter **Spalding's Official Handball Guide** Robert LeRoy Ripley,1928 Female

Olympian and Paralympian Events Linda K. Fuller, 2018-10-04 Female Olympian and Paralympian Events is a groundbreaking book that examines women's sports in the Olympic and Paralympic Games which have long been underappreciated and underanalyzed. The book begins with a brief background on women's participation in the Olympic Games and their role relative to the International Olympic Committee, then introduces the underlying Gendered Critical Discourse Analysis theory used throughout the book's analysis, before delving into a literature review of female Olympians and Paralympians' events. It includes a listing of noteworthy firsts in the field, followed by individual discussions of twenty-eight Summer and seven Winter events, analyzed according to their historical, rhetorical, and popular cultural representations. Women's unique roles in the various events are discussed; particular athletes and Paralympic events are highlighted, and original tables are also included. At the end of each section, affiliated organizations and resources are included in this invaluable referential volume.
