Polish Romantic Drama Harold B. Segel, 1997 Containing translations of three major plays in his highly informative introduction Professor Segel discusses the plays against the background of the Romantic movement in Poland and points out their ideological and artistic importance

A Dream Felicja Kruszevska, 2014-04-04 The translation of Felicja Kruszevska's A Dream introduces a major play by a twentieth century female playwright to the English speaking world On March 7 1927 A Dream a large scale expressionistic drama by an unknown poet burst on the Polish theatrical scene in a dazzling debut production by the young actor Edmund Wiercinski who would become one of the outstanding directors of his time The play's hallucinatory visions of the rise of fascism and the heroine's longing for a providential savior on a white horse spoke directly to Polish audiences about their deepest anxieties During the next two years A Dream received three additional stagings and became the subject of lively debate and controversy The play which has been successfully revived in 1974 is an outstanding example of European expressionism The volume also contains An Excursion to the Museum by the contemporary Polish poet playwright and short story writer Tadeusz Rozewicz A disturbing account of an utterly mundane visit to Auschwitz the tale is a brilliant example of the playwright's technique of poetic collage

Alternative Theatre in Poland Kathleen Cioffi, 2013-07-04 The complex nature of the relationship between theatre and politics is explored in this study of the Polish theatre scene It traces the development of the alternative theatre movement from its origins in the 1950s through to its decline in the late 1980s

Ireneusz Iredynski Kevin Windle, 2014-03-05 This vibrant anthology of radio plays features works by one of Poland's angry young men playwrights Ireneusz Iredynski made his debut in literature as a Polish angry young man in the late 1950s He moved with great versatility from verse to stage plays film scripts and plays for radio While some of the plays in this collection seem to present a bleak view of life they show a gentler side of Iredynski Here it is people's dreams

rather than their worst nightmares that are explored In these plays situations are kept simple and the theatrical technique is spare and economical but yet the playwright demonstrates an unfailing theatrical flair and shows himself a master of dramatic tension and the final unexpected twist

The Mannequins' Ball Daniel Gerould, Bruno Jaslenski, 2014-07-16 This play by Futurist poet Bruno Jaslenski is an outstanding example of the joining of left wing politics and avant garde interest in human mechanization that characterized the experimental theatre of Poland in the inter war years Stalinism and the purges cut short Jaslenski's career and prevented productions of his play for many years except for a brilliant constructivist staging in Prague in 1933 The Mannequins Ball can now take its place along with Capek's R U R as one of the major twentieth century dramas making use of the themes and techniques of human automata Reproduced in this volume are the eight woodcuts by Moor which accompanied the original Moscow publication in 1931

The Conspiracy of Feelings and The Little Theatre of the Green Goose Daniel Gerould, 2014-04-04 Two outstanding examples of socialist themed plays are combined in this remarkable volume The Conspiracy of Feelings by Yurii Olesha 1899-1960 is based on his highly respected short novel Envy about the struggle between the old and new in Soviet society The play called The Conspiracy of Feelings is not a simple adaptation but an original work that reconceived the novel The play explores the precarious position of the intelligentsia in the new collective state The Little Theatre of The Green Goose was written by Konstanty Ildefons Galczyński 1905-1953 who was one of Poland's most beloved poets After World War II he began work as a playwright inventing a colorful theatre troupe of performers animal and human and contributing a new instalment of The Little Theatre of the Green Goose each week to Przekroj the Cracow literary magazine Intended for reading only The Green Goose went unperformed in Galczyński's life and was finally staged in 1955 and gained a permanent place in the theatre and became a force for the creation of the new Polish drama that flourished in the 1960s

Encounters with Tadeusz Kantor Krzysztof Miklaszewski, 2013-10-11 An invaluable collection of documents and discussions of the work of one of the most significant theatre practitioners of the last fifty years This unique set of reminiscences written by one of the actors who worked closely with Kantor over a long period of time ranges from the anecdotal to the theoretical Kantor's work offers some of the most disconcerting allegories of Modernism and a quintessential expression of the unconscious during a bitter period of human history Kantor's stern but affectionate guardianship of his troupe of travelling players comes off Miklaszewski's pages with warmth humanity and humour
