Women Who Become Men Antonia Young, 2000 Based on extensive interviews this text tells the frank and engrossing stories of these women setting their lives within the wider context of a country undergoing radical upheaval and social transformation

Dressed in Time Margaret Maynard, 2022-12-01 Through object based case studies of garments from the ancient past through to the 21st century Margaret Maynard reveals the countless ways the temporal is woven into our attire From the physical effects of age on garments to their changing cultural significance time and fashion are inextricably linked Every garment has its own pace and narrative and every dress practice is rich with temporal associations wearing time in the form wristwatches marking key moments in time from marriage to death defying time with beauty products preserving and re imagining time through vintage and concepts of timeless and classic styles This ground breaking book presents a complete rethinking of the study of global fashion history revealing the complex nature of changing fashion when viewed through the lens of time and challenging Eurocentric approaches such as the periodization of style and the arbitrary division of western and non western fashion Fashion in Time is essential reading for students and scholars of fashion and dress history material culture studies cultural anthropology archaeology and related fields

Gender Identity Cynthia L. Winfield, 2019-07-15 What does it mean to be male What does it mean to be female In contemporary culture such distinctions have increasingly been regarded as much too narrow to cover the entire spectrum of humanity Over the past few decades thousands of individuals have bravely declared their true identities and refused to be boxed into what society has dictated It has become increasingly important especially for those coming into adulthood to go beyond the concepts of gay lesbian straight and bisexual when examining gender In Gender Identity The Ultimate Teen Guide Cynthia L Winfield encourages readers to reject the notion that male or female designations fit all The author examines how gender lines have been crossed as a growing number of individuals including young adults have found the courage to express and celebrate their authentic selves In this book Winfield addresses Differences between biological sex sexual orientation gender identity and gender expression Legal protections for those outside the narrowly defined gender norms Public debate and shifting views about gender identity Ways readers can make society more cognizant and inclusive of gender variant individuals In addition to providing a well grounded introduction to lesbian gay bisexual transgender queer or questioning intersex and asexual persons and issues this book allows contemporary teens and young adults to voice their experiences As more and more public figures from actress Laverne Cox to Olympic athlete turned reality television star Caitlyn Jenner have shared their stories it is just as important for everyday people to identify who they are This second edition of Gender Identity The Ultimate Teen Guide is a much needed update of an important topic and will be of interest to young adults their families and friends and the community at large

Gay Men's Style Shaun Cole,2023-08-10 Through an astonishing series of interviews Gay Men s Style will take you on a dizzying journey through shops bars clubs gyms workplaces and global city streets Based on the lived experience of gay men of all ages from the UK USA Europe Australia and Japan Shaun Cole calls for a more nuanced understanding of gay male dress and style Gay male identities in the 21st century are increasingly intersectional fluid and flexible from hyper masculinity and muscularity seen in clubs and on the pages of gay magazines to self knowing drag culture and androgynous gender play in the fashion industry Gay Men s Style explores these multiple identities and the ways in which gay men self identify and present themselves to the world through dress This analysis is set alongside seismic shifts in technology global communication and gay rights to redress and readdress the subject of gay men s style in a time of social and sexual upheaval

Acts of Undressing Barbara Brownie,2016-11-03 The act of undressing has a multitude of meanings which vary dramatically when this commonly private gesture is presented for public consumption This ground breaking book explores the significance of undressing in various cultural and social contexts As we are increasingly obsessed with dress choices as signifiers of who we are and how we feel an investigation into what happens as we remove our clothes has never been more pertinent Exploring three main issues politics tease and clothes without bodies Acts of Undressing discusses these key themes through an in depth and eclectic mix of case studies including flashing at Mardi Gras the World Burlesque Games and shoefti used by gangs to mark territories Building on leading theories of dress and the body from academics including Roland Barthes and Mario Perniolato Ruth Barcan and Erving Goffman Acts of Undressing is essential reading for students of fashion sociology anthropology visual culture and related subjects

Gastrofashion from Haute Cuisine to Haute Couture Adam Geczy,Vicki Karaminas,2022-11-03 For hundreds of years consumers and scholars have acknowledged that food is affected by the same rapid shifts in taste and consumption as clothing Trends in fashion and in food are increasingly being marketed in tandem and sold as fashionable commodities to reinforce capitalist power Yet despite this the reciprocal relationship between fashion and food has not been fully explored until now Gastrofashion from Haute Cuisine to Haute Couture examines the relationship

between food and fashion in clothing style and dress in all its manifestations from the restaurant to the catwalk to cookbooks diet fads slow food fast fashion celebrity chefs artists and musical performers It traces the relationship between food and fashion back to the Middle Ages to the rise of social refinements in manners speech clothing and taste when behaviours and appearances reflected social status and propriety and where the social display of wealth and privilege were inseparable from food and clothing Nowadays designer eateries such as Pasticceria Prada and Armani Ristorante and the display of food on fashion catwalks are the precursors of the restaurants of pre Revolutionary France and the spectacles of world fairs and exhibitions This much needed book offers a substantive and incisive discussion for all those interested in the complex interrelationship between food and fashion scholars students and general readers alike *Fashioning the Victorians*, 2018-05-17 Offering a unique anthology of primary texts this sourcebook opens a window on the writing that shaped and mirrored Victorian fashion taking us from corsets to crinolines dandies to decadent New Women A user friendly collection that provides a solid grounding in the fashion history of the nineteenth century it brings together for the first time sources that trace the evolution of dress and the social cultural and political discourses that influenced it Featuring seminal writings by authors and commentators such as Oscar Wilde Thorstein Veblen and Sarah Stickney Ellis plus satirical cartoons illustrations and fashion plates from key sources such as Punch magazine it combines primary texts and illustrations with accessible explanatory notes to offer a wide ranging overview of the period for both students and researchers Each section opens with an introduction that examines the major trends in Victorian clothing and the material economic scientific and cultural forces driving those trends situating the texts in the pressing social anxieties and pleasures of the time Exploring both menswear and womenswear and key topics such as corsetry dress reform and mourning Mitchell extends her analysis into interdisciplinary fields including gender studies and literature and guides the reader with a timeline glossary and further readings

The Oxford Handbook of Humanism Anthony B. Pinn, 2021 As a system of thought that values human needs and experiences over supernatural concerns humanism has gained greater attention amid the rapidly shifting demographics of religious communities This outlook has taken on global dimensions with activists artists and thinkers forming a humanistic response not only to religion but to the pressing social and political issues of the 21st century The Oxford Handbook of Humanism aims to explore the subject by analyzing its history its philosophical development and its influence on culture It will also discuss humanism as a global phenomenon an approach that has often been neglected in more Western focused works

Albania Andreas Hemming, Gentiana Kera, Enriketa Pandelejmoni, 2012 This collection of papers on contemporary issues in Albanian history and anthropology covers a broad range of approaches and forms of analysis The book includes research on parts of the country that have rarely made an appearance in international scholarship including recent research on various aspects of urban life in Albania with several chapters being set in Shkodra Tirana Elbasan and Gjirokastra Issues of local self organization or identity processes are presented as well A third core aspect that is addressed is the continued
