Women's Bible Commentary Carol Ann Newsom, Sharon H. Ringe, 1998-01-01 In the critically acclaimed best seller *Women's Bible Commentary* an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women focusing on female characters symbols life situations such as marriage and family the legal status of women and religious principles that affect relationships of women and men Now this expanded edition provides similar insights on the Apocrypha presenting a significant view of the lives and religious experiences of women as well as attitudes toward women in the Second Temple period This expanded edition sets a new standard for women's and biblical studies **Women, Leadership, and the Bible** Natalie R. Wilson Eastman, 2014-05-16 What do you believe about women's roles in church leadership Should women lead groups that include men Should women preach Should women be ordained More importantly why do you believe what you believe Plenty of books exist telling women what to think precious few help women think for themselves particularly about theological issues *Women Leadership and the Bible* helps women learn to interpret the Bible and discern for themselves answers to their questions about women's roles in the church along with any other issue they may face in life In straightforward plain language Dr Natalie Eastman introduces women to a five step easy to follow process for studying the Bible and interpreting what they study NOTE to designer if there is not enough space on the back cover then cut the following section in italics This book encourages women that they can think for themselves and can analyze significant theological issues despite any hesitations they may have any conflict surrounding an issue or any lack of theological training By the time readers finish this book they will have a biblically defensible theologically reasoned and thoroughly discerned understanding of what they believe Scripture says about women's roles and how that understanding could play out within the church No longer will they feel as though they have nothing to contribute when the subject of women's roles or any other of life's theological questions
