Down Under in this wonderfully witty satire from legendary internationally bestselling author Sir Terry Pratchett There s big trouble at the Unseen University Ankh Morpork s prestigious and only institute of higher learning A professor is missing and the one person who can find him is not only the most bumbling magician the school ever produced he s currently stranded in Fourecks Discworld s last and unfinished continent The down under is hot so hot and it s dry so dry though it s rumored there was once this thing called The Wet but no one believes that Practically everything here that s not poisonous is venomous Discworld s most inept wizard and his companion Luggage are eager to get home but first Rincewind has to survive a pushy mystical kangaroo trickster named Scrappy and a mob of Fourecks hooligans determined to hang him All his problems would be solved if he could just make it rain for maybe the first time ever And if the time traveling professors from UU working on rescuing him can get to the right millennium The Discworld books can be read in any order but The Last Continent is the sixth book in the Wizards collection and the 22nd Discworld book The other books in the Wizards collection include The Color of Magic The Light Fantastic Sourcery Eric Interesting Times Unseen Academicals Sourcery Terry Pratchett,2004-09 All this books and stuff that isn t what it should all be about What we need is real wizardry All is not well within the Unseen University The endemic politics of the place have ensured that it has finally got what it wished for the most powerful wizard on the disc Which could mean that the death of all wizardry is at hand And the world is going to end depending on whom you listen to Unless of course one inept wizard can take the University s most precious artefact the very embodiment of magic itself and deliver it halfway across the disc to safety **The Wit and Wisdom of Discworld** Terry Pratchett,2007-09-25 For more than two decades Terry Pratchett has been regaling readers with tales of Discworld a flat world balanced on the backs of four elephants which are standing on the back of a giant turtle flying through space It is a world populated by ineffectual wizards and sharp as tacks witches by tired policemen and devious dictators by reformed thieves and vampires who have sworn to drink no blood It is a world that is vastly different from our own except when it isn t Now in The Wit and Wisdom of Discworld various nuggets of Pratchett s witty commentary and sagacious observations have been compiled by Pratchett expert Stephen Briggs a man who they say knows even more about Discworld than Terry Pratchett Within these pages you ll find musings on Interior decorating It s a fact known throughout the universes that no matter how carefully the colors are chosen institutional decor ends up as either vomit green unmentionable brown nicotine yellow or surgical appliance pink By some little understood process of sympathetic resonance corridors painted in those colors always smell slightly of boiled cabbage even if no cabbage is ever cooked in the vicinity Equal Rites Travel Any seasoned traveler soon learns to avoid anything wished on them as a regional speciality because all the term means is that the dish is so unpleasant the people living everywhere else will bite off their own legs rather than eat it But hosts still press it upon distant guests anyway Go on have the dog s head stuffed with macerated cabbage and pork noses it s a regional speciality The Last Continent Young men And then there was the young male walk At least women swung only their hips Young men swung everything from the

shoulders down You have to try to occupy a lot of space It makes you look bigger like a tomcat fluffing his tail The boys tried to walk big in self defense against all those other big boys out there I m bad I m fierce I m cool I d like a pint of shandy and me mam wants me home by nine Monstrous Regiment Class Old money meant that it had been made so long ago that the black deeds that had originally filled the coffers were now historically irrelevant Funny that a brigand for a father was something you kept quiet about but a slave taking pirate for a great great great grandfather was something to boast of over the port Time turned the evil bastards into rogues and rogue was a word with a twinkle in its eye and nothing to be ashamed of Making Money and more Culled from all the Discworld novels The Wit and Wisdom of Discworld confirms Pratchett s place in the pantheon of great satirists and proves why the Chicago Tribune has praised his Discworld as entertaining and gloriously funny an accomplishment nothing short of magical

Equal Rites Terry Pratchett, 2024 Chaos and hilarity ensue when a young woman becomes the first female wizard upending the Discworld in this biting funny tale from internationally bestselling author Sir Terry Pratchett A little knowledge is a dangerous thing but it s not half so bad as a lot of ignorance Everyone knows there s no such thing as a female wizard So when a dying wizard accidentally passes on his staff of power to an eighth daughter of an eighth son the exclusively masculine world of wizarding is thrown into a tailspin Eskarina isn t afraid of male critics and she isn t going to relinquish this unexpected gift With a little hocus pocus from Granny Weatherwax the Discworld s most infamous witch an old crone who has plenty of experience ignoring the status quo Esk infiltrates the magical Unseen University and befriends another apprentice a wizard named Simon But power is unpredictable and these bright young students soon find themselves in a whole new dimension of trouble The Discworld novels can be read in any order but Equal Rites is the first book in the Witches collection and the 3rd Discworld novel

The Truth Terry Pratchett, 2013-10-10 William de Worde is the accidental editor of the Discworld s first newspaper New printing technology means that words just won t obediently stay nailed down like usual There s a very real threat of news getting out there Now he must cope with the traditional perils of a journalist s life people who want him dead a recovering vampire with a suicidal fascination for flash photography some more people who want him dead in a different way and worst of all the man who keeps begging him to publish pictures of his humorously shaped potatoes William just wants to get at THE TRUTH Unfortunately everyone else wants to get at William And it s only the third edition
