Performance Activism Dan Friedman, 2021-12-02 This is the first book length study of performance activism While Performance Studies recognizes the universality of human performance in daily life what is specifically under investigation here is performance as an activity intentionally entered into as a means of engaging social issues and conflicts that is as an ensemble activity by which we re construct transform social reality Performance Activism Precursors and Contemporary Pioneers provides a global overview of the growing interface of performance with education therapy conflict resolution civic engagement community development and social justice activism It combines an historical study of the processes by which over the course of the 20th Century performance has been loosened from the institutional constraints of the theatre with a mosaic like overview of the diverse work play of contemporary performance activists around the world Performance Activism will be of interest to theatre and cultural historians performance practitioners and researchers psychologists and sociologists educators and youth workers community organizers and political activists

Communities, Performance and Practice Kerrie Schaefer, 2022-04-07 This book examines how a predominantly negative view of community has presented a challenge to critical analysis of community performance practice The concept of community as a form of class based solidarity has been hollowed out by postmodernism s questioning of grand narratives and poststructuralism s celebration of difference Alongside the critique of a notion of community has been a critical re signification of community following the thinking of philosopher Jean Luc Nancy who conceives of community not as common being but as being in common The concept of community as being in common generates questions that have been taken up by feminist geographers J K Gibson Graham in theorising a post capitalist approach to community based development These questions and approaches guide the analyses in researched case studies of community performance practice The book revises theoretical debates that have defined the field of community theatre and performance It asks how the critical re signification of community aligns with these debates and at the same time opens new modes of critical analysis of community theatre and performance practice

Emerging Practices in Architectural Pedagogy Laura Sanderson, Sally Stone, 2021-07-29 Emerging Practices in Architectural Pedagogy explores the emergent techniques in architectural education that are helping to bridge the gap between the institutional setting and working practice It demonstrates how teaching and learning can and should be directed towards tackling the real world problems that students will encounter within their professional careers Architectural and design practitioners are becoming less specialised they are embracing cross disciplinary connections and practical problem solving Architecture and design schools must align their teaching to reflect this changing world and evolve from a fact based acquisition process to a participatory method of learning This book uses an extended case study format to examine

large scale issues Each chapter represents a specific mode of practice which is linked to the wider debate on architectural and design pedagogy this includes collaborative workshops and interventions issues connected to sustainability and climate change responses to rapid urbanisation and the creation of collaborative relationships across disciplines The book has an international perspective with contributions from the United Kingdom United States of America and Singapore and includes a timely discussion on teaching in a remote climate This book will be an invaluable resource for engaged academics and teaching practitioners interested in playing a key role in the future development of the architectural profession

Collaborative Performance for Social Justice Tessa Carr,Deanna Shoemaker,2025-06-02 This engaging book offers a broad spectrum of collaborative and accessible performance based practices that promote social justice within college classrooms rehearsal spaces campus stages and local communities Performance is an inherently collective and embodied endeavor As a form of communication activism performance also serves as a powerful mode of teaching and learning that demands equitable relationships and mutually established group norms that offer all a seat at the table Informed by intersectional feminist and antiracist theories the authors present collaborative performance case studies ranging from interventions into local histories of oppression to creative protests of campus and cultural practices to staged interruptions of social discourses and representational systems that perpetuate structural inequities Illustrating the multiple possibilities of performance the book offers adaptable tools evocative stories and vivid examples from diverse bodies of work This engaged scholarship is committed to honoring multiple forms of knowledge acknowledging and building the capacities of individuals and organizations identifying and developing more spaces for critical dialogue and envisioning and performing a more socially just world This book is essential reading for scholars and practitioners of communication theater performance studies arts based education and social justice activism

Michael Chekhov Technique in the Twenty-First Century Cass Fleming,Tom Cornford,2020-10-15 The culmination of an innovative practice research project Michael Chekhov in the Twenty First Century New Pathways draws on historical writings and archival materials to investigate how Chekhov s technique can be used across the disciplines of contemporary performance and applied practice In contrast to the narrow actor training only analysis that dominated 20th century explorations of the technique authors Cass Fleming and Tom Cornford along with contributors Caoimhe McAvinchey Roanna Mitchell Daron Oram and Sin ad Rushe focus on devising directing and collective creation dramaturgy and collaborative playwriting scenography voice movement and dance as well as socially engaged and therapeutic practices all of which are at the forefront of international theatre making The book collectively offers a thorough and fascinating investigation into new uses of Michael Chekhov s technique providing practical strategies and principles alongside theoretical discussion

Theatre for Women's Participation in Sustainable Development Beth Osnes,2013-11-26 Though development researchers have proven that the participation of women is necessary for effective sustainable development development practitioners still largely lack culturally appropriate gender sensitive tools for

including women especially women living in poverty Current tools used in the development approach often favour the skill set of the development practitioner and are a mismatch with the traditional gendered knowledge and skills many women who are living in poverty do have This study explores three case studies from India Ethiopia and the Guatemala that have successfully used applied theatre for women s participation in sustainable development This interdisciplinary book has the opportunity to be the first to bring together the theory scholarship and practice of theatre for women s participation in sustainable development in an international context This work will be of great interest to scholars and practitioners in a wide variety of fields who are looking for creative solutions for utilizing the contributions of women for solving our global goals to live in a sustainable way on this one planet in a just and equitable manner

Children Under Construction Drew Chappell,2010 This edited collection explores the roles of material culture in socializing young people through their play Authors explore notions of play from diverse cultural viewpoints as well as the impact of technology on play and the kinds of resistant and liberatory play children might partake in Informed by the field of performance studies the book considers play as performance asking questions about embodiment at physical relational and ideological levels and considering performance to be part of identity construction as well as a component of enculturation into various societies Of interest are the ways in which children try on various identities through their play and how these identities may re define their attitudes values and beliefs As curriculum and instruction have become open to the use of games and children s material culture more generally as a forum for learning intersections have emerged between schooling and culture at large This book broadens the scope of learning to investigate how these cultural artifacts are open or closed to multiple perspectives and narratives as well as how their use is constituted both in and out of the classroom

Environmental Health Literacy Symma Finn,Liam R. O'Fallon,2018-09-12 This book explores various and distinct aspects of environmental health literacy EHL from the perspective of investigators working in this emerging field and their community partners in research Chapters aim to distinguish EHL from health literacy and environmental health education in order to classify it as a unique field with its own purposes and outcomes Contributions in this book represent the key aspects of communication dissemination and implementation and social scientific research related to environmental health sciences and the range of expertise and interest in EHL Readers will learn about the conceptual framework and underlying philosophical tenets of EHL and its relation to health literacy and communications research Special attention is given to topics like dissemination and implementation of culturally relevant environmental risk messaging and promotion of EHL through visual technologies Authoritative entries by experts also focus on important approaches to advancing EHL through community engaged research and by engaging teachers and students at an early age through developing innovative STEM curriculum The significance of theater is highlighted by describing the use of an interactive theater experience as an approach that enables community residents to express themselves in non verbal ways
