Broemel, 2015 Each year over 300 million people visit theme parks making them the major vacation destination worldwide Theme parks are known for their elaborate spectacle the creation of artificial realities through intricate immersive experiences including costumed characters stage shows and extravagant decor Though many aspects of the theme park experience have been reviewed little focus has been given to the role of food in the overall immersion particularly how food extends the spectacle into a fantastical created reality This study examined the function of food within a highly immersive theme park setting and how it contributed to the

overall illusion and immersion of the fantasy environment Research was conducted from December 2014 to March 2015 at The Wizarding World of Harry Potter Universal Orlando Resort Themed food served three overarching functions 1 it operated as an experience 2 it functioned as a conduit to authenticity and 3 it extended sensory perceptions Food immersed tourists in the themed experience though visual cues remained the primary sensory stimulus However guests considered the location to be more authentic when coupled with a themed food item as opposed to the generic food choices found in other parks Themed food functions as an extension of the spectacle by maintaining the illusion and contributes to the overall exhibition of the themed space Frommer's Walt Disney World and Orlando Laura Lea Miller,2012-11-06 Insider advice on all the major theme parks in Orlando from Magic Kingdom in Walt Disney World to the Wizarding World of Harry Potter at Universal Orlando s Islands of Adventures Our author a longtime theme park aficionado and the mother of five has done it all Where to find the best rides at all of the theme parks smaller attractions when you don t want to face the usual crowds Orlando s best shopping and great places to stay without busting your budget Insightful commentary on hitting all of the theme parks efficiently while keeping the fun factor high Opinionated reviews No bland descriptions and lukewarm recommendations Our expert writer is passionate about her destination she tells it like it is in an engaging and helpful way Exact prices listed for every establishment and activity no other guides offer such detailed candid reviews of hotels and restaurants We include the very best but also emphasize moderately priced choices for real people User friendly features including star ratings and special icons to point readers to great finds specialty attraction ratings tailored to a number of age groups excellent values insider tips best bets for kids special moments and overrated experiences *Wizarding Worlds* William Silvester,2017-10-11 Potter in the Parks After you ve read the books and seen the films you can get even more Harry Potter in his theme parks studio tours and film prop exhibitions William Silvester traces the development of these venues and provides entertaining walk throughs of each **The Unofficial Guide to Universal Orlando 2026** Seth Kubersky,Alicia Stella,2025-12-02 Save time and money with in depth reviews ratings and details from the trusted source for a successful Universal Orlando vacation How do some guests get on the big new attraction in less than 20 minutes while others wait for longer than 2 hours on the same day Why do some guests pay full price for their visit when others can save hundreds of dollars In a theme park every minute and every dollar count Your vacation is too important to be left to chance so put the best selling independent guide to Universal Orlando in your hands and take control of your trip The Unofficial Guide to Universal Orlando 2026 explains how the resort works and how to use that knowledge to stay ahead of the crowd Seth Kubersky and Alicia Stella know that you want your vacation to be anything but average so they employed an expert team of researchers to find the secrets the shortcuts and the bargains that are sure to make your vacation exceptional Find out what s available in every category ranked from best to worst and get detailed plans to make the most of your time at Universal Stay at a top rated hotel eat at the best restaurants and experience all the most popular attractions at Universal Studios Florida Islands of Adventure Epic
