Substantial articles on 2000 Greek words that are theologically significant in the New Testament Traces usage in classical Greek literature the Septuagint intertestamental texts and the New Testament *Shekinah Unveiled* John Whitman, 2018-07-05 Many Christians believe and have been taught that the bride of Christ is the church and this presupposition is widely held by scholars ministers and laity alike as though it were a biblical precept Yet this view actually owes its origins to pagan heresy and mysticism that infiltrated the church over the centuries In fact the scriptures tell us who Jesus will marry and it is neither the Christian church nor Israel *Shekinah Unveiled* examines and irrevocably dismantles the ages old traditions that maintain that the church is the bride of Christ and that Israel was Yahweh's wife Author and theologian John Whitman proves from scripture who the true bride of Christ and the wives of Yahweh are and he explains why it matters to know the identity of the bride of Christ Knowledge of the true identity of the bride of Christ affects multiple core doctrines of faith the imago Dei marriage sexuality and the family sin Christology ecclesiology eschatology judgment bridal theology and theology proper And because the latter is itself the bedrock upon which not only systematic theology but each of these other attendant doctrines are founded the very heart of Christianity is affected by knowing the identity of Christ's bride **Exegetical Guide to the Greek New Testament, Volume 12** Murray J. Harris, 1991-01-30 This first volume of the Exegetical Guide to the Greek New Testament series is designed to help the student or pastor understand and expound the Greek text of the Books of Colossians and Philemon For each paragraph the exegetical notes include the Greek text structural analysis grammatical discussion topics for further study and homiletical suggestions **Exegeting Orality** Nick Acker, 2024-09-05 For too long critical biblical studies have applied modern textual assumptions to ancient oral cultures Exegeting Orality challenges many of these modern approaches distilling decades of studies in oral traditions to redirect pastors and scholars toward a more accurate narrative of biblical origins identity and meaning Many works in the area of orality textuality performance criticism and media studies focus on critical issues Exegeting Orality guides pastors and scholars through a brief introduction to these fields emphasizing biblical inspiration interpretation and proclamation This work honors the rich oral traditional foundations of the inspired canon urging a transformative shift in how we interpret the Bible The stories we believe define us The Bible is not just a text to be studied but a record of voices from the past who performed our definitive stories The Bible is a tradition to be reclaimed and reenacted in the community of faith Let us not recast these ancient voices into modern epistemological molds without letting them speak from within their own cultural realities Their voices still call out to us through the abiding Holy Spirit who connects us all to the story of Jesus May we live out that ancient story today together *A Teacher's Commentary on First and Second Corinthians* Dan R. Matthew: A King's Ransom Practical Christianity Foundation,2020-08-08 The gospel of Matthew chronicled by one who personally journeyed with Jesus during His earthly ministry is a unique account since it is generally agreed that it was written with a Jewish audience in mind As such great care is taken in providing detail that substantiates Jesus as the Christ the promised Messiah No other gospel focuses so strongly on the divine aspects of the King and His kingdom No other gospel provides such detail of the Sermon on the Mount No other gospel so thoroughly links Jesus as the fulfillment of all Old Testament prophecies True the concept of Jesus as God s anointed King over Israel is the point around which the Jewish people must wrestle for if Jesus is the Messiah then where is His kingdom Indeed the skeptical Gentile can ask this question as well They like each of us must realign their concept of the kingdom and understand the full impact of Matthew s personal testimony concerning Jesus His life His death His resurrection and the salvation that He offers to them and indeed to the whole world Biblical, Traditional, and Theological Framework for Understanding Christian Prophetism in Ghana Today Daniel Nii Aboagye Aryeh,2019-01-03 The basis for this project is to verify and determine the extent to which contemporary prophetic ministry in Ghana appropriates prophetism in the early church Corpus Paulinum and traditional prophetism in Ghana The spirit of prophecy which was believed to have ceased in Judaism and during the intertestamental period has now

been restored at the inauguration of Christianity Notwithstanding Paul gave stipulations for prophets and prophecy in the church in 1 Corinthians 14 This confirms that prophecy was a common phenomenon in the early church and Pauline communities Contemporary prophetic ministry in Ghana claimed to have conformed to Pauline stipulations concerning prophets and prophecy in the church but what is their level of conformity Contemporary prophetic ministry is becoming popular due to its appeal and compatibility with religious worldviews and its pragmatic outlook that resonates with the Ghanaian phenomenon of religion As an adherent of the Akan traditional religion would go to a religious intermediary for ebisa literally to inquire or ask into present or future happenings contemporary prophets have positioned themselves to be agents of ebisa in Ghanaian Christianity This book explores biblical and traditional understandings of prophetism that have influenced contemporary Christian understanding of prophets and prophecy in the church
