Theophostic Prayer Ministry Edward M. Smith, 2005 Book 14 Mysticism HC Kurt Jurgensmeier, 2012-08-22 Does God speak to us apart from Scripture The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical amoral revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of paraklete in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways *Transformative Encounters* David W.

Book 3 Authority HC Kurt Jurgensmeier, 2012-08-22 Is Scripture really our ultimate authority Most Christians answer this question by simply saying The Bible is my final authority But as we explain here such a view forgets that there is a human being between us and the Bible which is why there are a multitude of interpretations of the Bible that people live by Reformed theologians in particular have claimed that a testimony of the Spirit or some sort of an additional revelation of the Spirit confirms to us what is true But again we can demonstrate that there is no biblical or practical support for this Accordingly we are back to our God given reason and the right and responsibility of private judgment as our ultimate subjective authority by which we live by Postmoderns are right then to assert that our own reason is the god we live by But they are wrong to ignore that our ultimate objective authority is God Who our reasoning will be judged by *Coming to Peace with Psychology* Everett L. Worthington Jr., 2013-05-24 Everett L. Worthington believes psychology can contribute to the Christian life because all of us psychologists and non psychologists alike are human and can benefit from better understanding our fellow humankind Beyond integrating Christian and psychological truths his book uncovers new relationships between science and religion demonstrates psychology's benefits to theology and helps Christians live a

redeemed life that is pleasing to God *The Failure of Evangelical Mental Health Care* John Weaver, 2014-11-26 In the evangelical community a variety of alternative mental health treatments deliverance exorcism biblical counseling reparative therapy and many others have been proposed for the treatment of mentally ill female and LGBT evangelicals This book traces the history of these methods focusing on the major proponents of each therapeutic system while also examining mainstream evangelical psychology The author concludes that in the majority of cases mental disorders are blamed on two main issues sin and demonic possession oppression and that as a result some communities have become a mental health underclass who are ill served or oppressed by both alternative and mainstream evangelical therapeutic systems He argues that the only recourse left for mentally ill female and LGBT evangelicals is to rally for reform and increased accountability for both professional and alternative evangelical practitioners Theophostic Prayer Ministry Edward M.
