Theory Of Citizenship Theory Of Citizenship:

A Theory Of Citizenship Herman R. Van Gunsteren, 2018-10-08 Does vital citizenship require moral consensus Or is it the ability to organize their differences that allows people to live together as citizens in a republic Whereas liberal republican and communitarian theories of citizenship analyzed the conditions of citizenship the central message of this book is that the practical exercise of citizenship under conditions that are far from ideal is the main source of its vitality Instead of arguing for more participation it focuses on the citizenship of those who for whatever reason are already active in the public sphere Herman van Gunsteren develops a theory of citizenship well suited to the era of political reform that was inaugurated by the revolutions of 1989 [Feminist Perspectives on Law and Theory](#) Janice Richardson, Ralph Sandland, 2013-03-04 This
