Swindoll, 2008-04-01 Who do you say that I am Whether or not you know it this question posed by Jesus is the most important question you ll ever answer But it s not only a question for those who haven t trusted Jesus for salvation it s also one for those who call themselves followers of Christ Many will claim to know the answer but even Peter who answered it correctly didn t fully understand who Jesus was until later And in a culture two millennia removed Jesus true identity and purpose are often obscure making His question relevant and vital both for non Christians and Christians alike This Bible Companion is designed to help you answer His question so that you might know Jesus the real Jesus as revealed in the Bible But be warned This book doesn t offer a mere biographical study because He was no mere man Regardless of what you think of Jesus encountering Him in the Bible is a mind changing and life altering event So if you re ready to answer Jesus question truthfully then this Bible Companion will serve as a good guide to His life and teachings And it can help you grow to know Him better than you ever have **The Eating Well Workbook** Ken Goss, 2025-10-30 Learn to stop overeating for good and discover your own healthy weight and eating habits This compassionate therapeutic workbook explores the problems created by having ready access to high fat foods designed to taste good Because we evolved in conditions of relative scarcity we have few natural food inhibitors and so most diet books try to encourage people to limit their eating using strict rules which have to be constantly worked at However this can lead to self criticism which can undermine efforts at self control As a result our relationship with eating can be complex multifaceted and problematic USING THIS WORKBOOK YOU WILL LEARN HOW TO Understand and work with your urges and passion for food Pay attention to your biological and emotional needs Have a healthier and happier relationship with food and your body If you have tried diets and found that they don t work The Eating Well Workbook is for you THE COMPASSIONATE MIND APPROACH The self help books in this series are based on compassion focused therapy CFT developed by series editor Paul Gilbert This brings together an understanding of how our mind can cause us difficulties but also provides us with a powerful solution in the shape of mindfulness and compassion It teaches ways to stimulate the part of the brain connected with kindness warmth compassion and safeness and to calm the part that makes us feel anxious angry sad or depressed **Hand Me Another Brick** Charles R. Swindoll, 1998-10-16 Do others look to you for leadership Do you face a major task or shoulder heavy responsibilities Do you want to take your leadership skills to a higher level When

Nehemiah confronted the task of rebuilding Jerusalem's wall he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him Yet through the application of timeless leadership principles Nehemiah completed this nearly impossible project and laid a pattern for success which is just as valid for us today Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader Whatever the context secular or ministerial he demonstrates how to size up a task organize and motivate a team and respond to inevitable obstacles such as these Unforeseen setbacks Unrelenting deadlines Criticism and outside resistance Personality conflicts Financial pressures and temptations The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever
