God's Love Language Dr. LaNissa Finney, MDiv DBS,2022-09-29 If God is speaking to us then what is He saying That is what most people want to know This book reveals God s love language from Genesis all the way into the New Testament when Jesus finally appears on the scene It takes an in depth look at God s communication with Israel but also the world outside of Israel It explores the blunders and calamities that God s people get themselves into and reveals God s response as a love language Each book of the Bible tells a unique story and within that story God is speaking a language of love as reconciliation The goal is to see God s love even if that language is challenging at times Within each disaster of the biblical narrative God reveals Himself as faithful and loving Even in God s judgement there is a beautiful language of love being revealed which is clearly seen in God s exchange with Pharaoh This book will help answer difficult questions about the Old Testament while pointing out God s method of communication with the people of the Old and New Testament The aim is to help you see the conversation between Creator and creation as both purposeful and affectionate **Books in Print**

Subject Guide to Books in Print ,1984 **The Power of Truth in Perilous Times** Marcus E. Drake,2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God s Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes

in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything **Paperbound Books in Print 1995**
